
1. In over 225 cases of American MIAs, Hanoi has WITHHELD an accounting for men who died while in their hands!

EXAMPLES: Donald S. Newton, Louis Buckley, Rosevelt Hestle, Daniel Newhouse, Burt Small and more *.

2. Hanoi Officials have REFUSED to account for POWs who were captured alive and held as prisoners!

EXAMPLES: Roger Hamilton, Michael Estocin, Walter Wrobleski, Robert Hunt, John Held, Donald Sparks and more *.

3. Hanoi has PREVENTED timely investigations of live sighting reports in military restricted zones!

EXAMPLE: On April 30, 1995 three researchers were arrested and detained by the internal security police in Vietnam for investigating a report of 3-live Americans.

4. Hanoi has KEPT HIDDEN medical records of captured American prisoners who were treated by Vietnamese doctors at hospitals in Vietnam, Laos and Cambodia.

END NOTE: If President Clinton certifies that Hanoi has been fully cooperative in accounting for the POW/MIAs—he is lying or being lied to!
