Dear Chief,

It sure is great to hear from you and to know that in about one month we will be having another get-to-gether. We really do enjoy seeing everyone and to know that we can do it next year also. We look forward to meeting everyone new and also to see the copy of the report you will be bringing. Dr Ron Frankum from the Archives at Texas Tech University will be in attendance to explain and answer question about the Vietnam Center in Lubbock. Stay in touch and look forward to seeing you both.

Shipmates: Marion and I will attend the Reunion in St. Louis. We will bring with us; for further transfer to "The Archives of the Vietnam Center at Texas Tech University"; a copy of the final report concerning the 3 June 69, collision between the USS FRANK E EVANS (DD754) and the HMAS MELBOURNE; some 1150 pages.

Thought we would bring it to the reunion for those who might like to take a quick look at it before it is shipped to TEXAS TECH.

Looking forward to seeing all of you in Sept.
