Dear Dennis:

I appreciated receiving your thoughtful letter and your willingness to join us during our 26th Annual Meeting. Both Larry and Judie speak highly of you and I look forward to an opportunity to meet.

Larry and I have communicated frequently since he was here, and we are all considering alternative names for "the bridge" in view of its association elsewhere. We will come up with what we all agree is exactly the right concept-message for all concerned; in fact, I think we are very close.

During my trip, I will read the material you kindly provided so that I am better prepared to meet with you on an informed basis. It is my hope that our "partner" in this project, Richard Childress, might be available to join us, and Larry may be in Washington around August 23rd for a day or so.

In any event, I will look forward to getting together after my return and, again, appreciate your support and concern. I'm confident that we have much in common.

Sincerely,

Ann Mills Griffiths
Executive Director
