Information:

The following information was related by Source to interviewer as fact. Sometime in December 1984, Source met a friend named Nham Tat, of 21 Tan Hang St, District 5, HCMC, who told him that he had an acquaintance (NFI) from former Binh Long (P) who had discovered the remains and associated dog tag (see inclosure) of a US captain who was a former advisor to the RVN Mike Force Team 81, who had died in 1972. How Tat learned this information was unknown to Source. Source never saw the actual dog tag or any remains.

Tat gave Source this information recorded on a small slip of paper (inclosed) which also contained the rubbing of the associated dog tag. The information on the dog tag was:

T85-028  
PAGE TWO

T. U. Kwolows Regiment  
SQ: 2550081 Battalion  
Serial Number  
California Company  
O RH Post

Source smuggled the paper past the customs examiner during his departure from HCMC and claims no further knowledge concerning the incident. Tat requested Source to report the information to the US authorities so the US could confirm it. Source plans to write back to Vietnam to obtain further de-
