Dear Bill Bell,

I have never had the opportunity of being introduced to you personally, but I did attend your different talks at the National Alliance Forum in Washington.

The reason I write to you is first of all to mention that I have invited Bobby Garwood to speak here in Minneapolis on October 29th. for a National Alliance presentation.

Secondly, I am doing this on an independent basis, and that is working on a petition drive and a fund raising drive to help Bobby Garwood's conviction be overturned. A non-profit organization cannot raise money or support an individual such as this so we are not doing this under any of our organizations names.

I guess I need to ask first of all, what you more or less think of Bobby. What I am looking for is letters of support to be written to Bobby. If you are a supporter of Bobby, can you find some time to write one of your wonderful letters? If you aren't, then I would say just ignore this letter and I would understand.

Letters of support should be addressed to:

Mr. Bobby Garwood
c/o Mr. Vaughan Taylor
Taylor, Lowell and Horbaly

If you would not mind your letter to be shared by others to help get support. I would appreciate it if you would carbon copy me a letter.

Thank you in advance.

Yours truly,

Barbara Sworski
