Dear Ms Shine

The following information which we recently received from the Defense Intelligence Agency (DIA) is provided in reply to your request concerning the numbered object in the photograph with your father's dog tag.

The only item DIA received was that photograph. DIA does not know the origin of the other piece of metal in the photo. The source provided no information on this other item and DIA has no idea what it is or if it relates to Colonel Shine.

Please continue to contact us if we can be of further assistance to you.

Sincerely

A handwritten signature in cursive script, appearing to read "William R. Frampton".
