Dear Bill:

It was a pleasure to meet you at the National League of Families convention in Washington last week. At that time I asked if you could give me any information or perhaps an explanation concerning the field investigation report of Case 1845, which is the crash site of my son, Captain John W. Consolvo, Jr, USMC, fighter pilot. You suggested that I send you a copy of the report, which I am enclosing.

Any information you can give us will be greatly appreciated. The POW/MIA families were distressed when we learned that you were no longer allowed to do the job you had performed with such dedication and high level of expertise. I want to thank you for all you have done to help us find the answers we have sought these many agonizing years.

Sincerely,

(Mrs.) Martha A. Consolvo
