The political and ideological control of units of soldiers of 7th, 5th and 11th was not close.

Inspections were conducted in all units, but low level units placed much reliance on the battalions.

Units 2nd, 6th and 8th were outstanding in strengthening their low-level units and turning them into progressive ones.

Units 1st, 5th and 7th made acceptable average.

Following actions plans:

Conduct careful investigation of the individuals ethnic minorities activities in order to assign
