Re: Major Peter Dean Hesford
Case 1100-0-01

Mr. George E. Atkinson
Chief, Missing Persons & Inquiries Division
HQ AFMPC/DPMCB

Dear Mr. Atkinson:

Thank you for informing me of the presentation of my son's case by JTF-FA to the government of Laos on 1-2 June 1992.

I have enclosed documentation of information which I believe should be included in Peter's case narrative. Please submit the rewritten narrative to the Lao as soon as possible. Since Soth Phetlasy is still alive, I believe he may provide helpful information to the families.

Please check Peter's narrative. I believe there is a typographical mistake on Line 7 of your narrative. The Route is Route 9, not 91, is it not? Please add to the pertinent data -eyes: blue.

I look forward to your response to my request.

On behalf on my son, Peter Dean Hesford, and all unrecovered POWs, thank you for your attention to this matter.

Sincerely,

Arthur J. Hesford, Sr.
