Pls pass the following to IE1 and IE2 in Quang Tri. I lost contact with them when I tried to pass by telephone on three occasions.

Attempt to interview Mr Xuyên Tâm, former deputy of Quang Tri Enemy Proselyting Office. Now retired and residing in old Quang Tri City (thị xã) Triệu Hải District.

Attempt to interview Mr Lê Danh (Poss Lê Ngọc Danh), former deputy political commissar of MR Tri-Thiên. Now chairman of veteran's association and residing in Quang Tri.

  
These people may be able to provide information on other former cadre who returned to the north. They may also have information on Camp 7 in Quang Tri, as well as incidents involving US who were captured in other areas.
