

Buonmethuot March 28 - 1991

Dear Bill,

- First of all thank you very much for your Questionnaire for ODP-B 6/84, and now I am working for the rest of other papers

- Secondly myself and Dr Dun are expecting to see you before the rain as you have said, we have gathered various information about the Missing in Action for you we will give detail after you reach us

- By the way I would like to introduce to you these two fellows are my closest friend:

1) Le Ba Tu (The father) IV# 0603 SD-SRV
list E03.296.

2) Le Ba Tam (the son) IV# 115036-SRV
list F02 912.

- In my letter dated March 5-91 I asked for your help to have both interview at the same time so they could leave together to USA, but only the father got interviewed on March 20. 91, and the son Le Ba Tam has not been interviewed yet.

They are my best friend always help me when

I have trouble with my health since I got out of jail.

! They have almost every single one of their families already reached the United States. Poor Tam, his wife and their 2 children are the only one left behind.

Tam's Father in Law and Mother in Law had passed out.

- With a such situation see what is the best way you could ~~do~~ do to get Tam interview from HCM-City. and see what is our US friend the ODP group back and forth Saigon-Bangkok could do? (in this case see what is good you could do, I think it is nice to have a friendly introduction letter from you to whom in charge of ODP in Saigon, -through them I think I'll be able to pass to you the other matters as well.

AS for Tam he has got I-171 and I-134 form from his relatives in USA.

Once again I would like to say thank you very much in advance, and I am expecting to hear from you soon, and will see you again soon.

Regards

David - Piedoo
