Mr. Tennis H. Carter

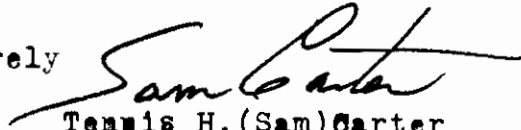

Dear Mr. Bell

I am writing in response to an article in a recent Army Times, RE: Capt. Y-Tin Hwing. Y-Tin was an interpreter for me for a short while in 1966 and we later worked together in 1970-71 in another program in South Vietnam.

I would be interested in assisting him in what ever way possible. Would you please communicate to me the proper procedures for me to follow.

Give Y-Tin my best regards,

Sincerely

Tennis H. (Sam) Carter
