

3. Information: In January 1988, a casual acquaintance by the name of Le Van Cu, who lives in the vicinity (NFI) of the Le Minh Xuan State Enterprise, Ward 5, HCM City, came to visit Source. Mr. Cu had heard that Source would soon be departing Vietnam as an ODP beneficiary, and he wanted him to pass some MIA information to the U.S. government. Mr. Cu hopes to get U.S. assistance in leaving Vietnam in exchange for the information.

isolated area there, he discovered the crash site of a HU1 (sic) helicopter. From the crash site the younger brother recovered three U.S. skeletal remains and dog tags, which he is currently hiding, except for one dog tag and a tooth that Mr. Cu keeps at his home in HCM City. Mr. Cu showed Source the dog tag, but he doesn't recall any data engraved on it. Source has no further information regarding this incident.
