Yonan?

2. Information: In 1985 Source's father, Ving San, of 446 Lot B, Than Da Public Housing Complex, Binh Thanh district, HCMC, bought a complete set of skeletal remains and a dog tag from Montagnards in Pleiku city. Source does not know the name or other data recorded on the dog tag. Source's father hid the remains and dog tag at their apartment. In 1986 Source's father grew fearful of arrest for possession of the illegal items; therefore he turned them over to the HCMC Public Security Service (PSS) for which he received a receipt. On two occasions after that PSS officials came to talk to Source's father in order to get more information concerning the individuals from whom he bought the remains and dog tag. Source has nothing further to report concerning this incident.
