

Đã tìm thấy xác máy bay
 Mỹ rơi tại sông Vam
 Co Dong. (năm 1984)

Information:

TPH-292

Source stated that sometime during early 1984 while fishing in the Vam Co Dong River south of Tay Ninh City, he heard about U.S. remains which were alleged to have been recovered from a U.S. helicopter which crashed into the same river.

Source heard from a fisherman (Vu Quang Hung, DPOB 1950, NVN, former 2 LT AVRN) that the remains had been found in the water after the helicopter crashed and that the remains had floated up near Long Thanh Nam Village (formerly Cam Giang) vic XT 2634 and about one km from the Cau Doi Bridge. Source did not observe any remains or personal effects associated with the alleged incident. Source also did not observe any grave associated with the alleged incident. Source did not hear about when the incident occurred. Source also did not hear about the number of remains involved. Source was not able to provide further information concerning the alleged incident.
