teenagers, control the number of children of the revolutionary families who were captured by the enemy, and step up the assassination of ((RVN)) tyrants, especially key enemy personnel who were in charge of capturing teenagers.

Results of activities should be reported, to K.60 for further instructions.

(C-Jun 72) Item 3: (2 pages, typewritten; B-3) Communiqué 33/TT/VP, dated 13 Dec 71, prepared for the signature of Võ Xuân Mỹ of K.60, addressed to the security sections of subordinate localities, and to subordinate security elements, pertains to the intensification of security activities.

The document states that recent troop withdrawals of the US E5 Regt ((possibly the 5th US Regt)) and of the South Korean ((ROK)) troops indicate that the enemy is disintegrating rapidly. In addition, after being indoctrinated on Resolution 1 from DKU ((possibly the VC Quang Đà Special Zone Party Committee)) and Resolution 11 from VC Region ((5)), improvements were shown by the security sections of the district and subordinate villages in security activities. However, such shortcomings as poor organization of village and hamlet security agencies, underestimation of security activities, and improper compliance with the directives from higher headquarters were still prevalent.

From now ((possibly 13 Dec 71)) to the end of Jan 72, the village security organizations were to be developed as follows: each of ((VC)) Duy Phú, Duy Tiến, Duy Đông, Duy Sơn, and Duy Hải ((Villages)) was to have five ((security)) members; each of ((VC)) Duy Tân, Duy Khuông, Duy Hòa, Duy Trung, Duy An, Duy Thanh, Duy Phước, Duy Vinh, Duy Nghĩa and Duy Hồng ((Villages)) was to have three ((security)) members; and ((VC)) Duy Phường ((Villages)) was to have two ((security)) members.

In addition, each ((VC)) village was to strengthen its armed security unit to insure the security at the locality concerned and secure the evacuation of the detainees to the thought reform camp.

Investigation reports on targets ((RVN agents)) in the locality concerned also should be submitted to K.60 prior to 25 Dec 71 for consideration.

(C-Jun 72) Item 4: (1 page, typewritten; B-3) Communiqué 24/DT/VP, dated 29 Dec 71, prepared for the signature of Thu of VT15 ((possibly an agency of the Duy Xuyên District Party Committee, VC Quang Đà Special Zone, VC Region 5)), addressed to subordinate localities and agencies, states that a so called "Chân Trời Mới" ((literally meaning New Skyline)) Campaign was conducted by the enemy, aimed at attacking friendly ((VC)) troops by surprise at the villages in the cities' outskirts and in weak areas. Recently, friendly troops in Duy Thanh and Duy An ((Villages, Duy Xuyên District)) were engaged by those enemy activities.

The addressees were to take precautionary measures to promote security maintenance in billeting and quartering facilities, strictly apply prescribed cover designations in correspondence and be provided with an adequate defensive system.
