Thank for both the data and our brief but enjoyable conversation, this PM.
Irene is not doing well and I will keep you posted.
her status is by request, not passed to her family, difficult for me, but I see her view.

When you come to AAM/JAX can you bring some EXPIRED LLUS/IFR, DOD approach plates Eastern US and en
Enroute Supplement.

Are the mailing addresses available for all US operators of Convairs, or a WEB SITE I may visit.??

Stay roose.

Amazing how close our paths crossed both before and after AAM/LAOS.
