Dear Shipmates:

On November 1, 1995, I started a ROUND ROBIN letter (idea developed at Charleston F. E. Evans reunion). Although not at the reunion, I included the names of Doc Annegers, Don Merriman, Don Sibbett and Daisy Wilhoit on the routing directions. Shortly thereafter I was fortunate to locate Jerry Fien and Bob Bendure, whose names will be added to the routing list.

Although I know that Annegers and Merriman have received the letter and passed it on, I don't know if Don Sibbett and Daisy Wilhoit have received it yet.

You all should have received a mailing about the next reunion in Corpus Christi, October 17-20. Your names and addresses were sent to the chairman. If you did not receive a package - let me know. It looks like we will have a good turn out. Planning to attend are: Eldon and Mary Lou Kiehler, Carl and Lois Annexstad, David and Barbara Schreiber, John Harrier, John and Cynthia Cornwell, Don and Connie Merriman and, of course, Jack and Corinna Druckemiller. (Gwen Ozenberger - Ozzie's widow will probably attend also.) Don't know about Annegers or Atkins.

The Charleston affair was so comfortably planned that we are all looking forward to Corpus Christi. Meeting old shipmates after 50 years has been one of the high points of my life. We hope you will all consider joining with us.

Cordially,
