Robert J. Bendure

Jerome M. Fien

Dear Bob And Jerry:

The ROUND ROBIN letter, which I originated November 1, 1995 (after the Evans Charleston, SC reunion), has laboriously made its way through 11 Evans shipmates in the first year and has finally returned to me. The original plan was to start it on its rounds again but since you two have been added to our "discovery" list, we want you to add your letter to the batch before we start it around the second time.

So, Bob give us a letter bringing us all up to date on the last 50 years in your life, add it to the top of the pile (SEE INSTRUCTIONS WHICH ACCOMPANY THE BUNDLE) and please forward the entire bundle to Jerry Fien for his past history. Jerry then can return the package to me and I will prepare a new address list and revised instruction sheet for the second round and we'll do the whole thing over again --WHOOPEE! If additional shipmates are located in the interim, I will somehow arrange to work them in the schedule.

We're still looking for: Sydney D. Chamberlain, James Clark O'Brien, Robert Edward Glass, John Theodore Wassmer, Jr., Lex Morton Taylor, Abram Peter Alyea, Raymond Thomas Heintskill, John Kenyon and any others you might think of. I have just completed re-reading the entire package and have found the comments from all to be most interesting. Our timing looks pretty good as I know both of you might head south when the winter gets in full bloom.

Anyhow, Season Greetings to you both and join in on the fun. I know all the guys will enjoy what you both have to say. Incidentally, my original instructions said to limit the comments to one page, both sides. Just forget that idea if you need more than one page.

Cordially,

Jack A. Druckemiller
