Dear Corinna & Jack,

We want to thank you for your recent e-mail and were so sorry to hear about Corinna. Our thoughts are for both of you and we pray that she may have a real change for a speedy recovery...

The day we received your message Lois and Carl Annexstad called from St. Peter, Minnesota, which is only a few miles away from the place that Mary Lou lived at Janesville, Minnesota. They had talked with Barbara and Dave Schreiber and they said he is back to work as a Dentist, and was complaining that his patients were all old. Suggested that they tell him to advertise only that he specializes in patients 35 or younger !!! I am sure that Barbara would have something to say about that... They will not be able to make the Reunion so Lois and Carl have also declined.

Last week we went up to Lake Arrowhead, a mile high elevation, and spent a few days with Kim, Chris, our son, Kayleen (7) and C.J. (5) in a home that they rented on the Lake. It was most impressive, as it was an executive one for the owner of the First Amercian Title Company and he maintains it for his clients, etc. We had a great time and met with Evelyn and Ray Corab, who live a few doors away. They took us on a tour of the Lake in their boat and the children loved getting the spray and we had lots of laughs and Mary Lou and I took everyone out for lunch in the Village which was just great fun. Ray is experiencing some problems and is scheduled for a radiation implant next month and we all wish him the best.

Bottom line, I do not know of anyone of our group who will be attending the Reunion, perhaps we all may be able to go to the one in 2001.

I have not heard from Wes for ages although I did try to send him an e-mail and it would not go through. Must try again.

Jack, we wish Corinna and you the Very Best of Everything...
