

Dear Al -

It sure was good to hear from you again. Cornwell and I are at Dartmouth together and we've often wondered what became of you - (whether you ever got off of the "Rutland" etc !). I was stuck in service until Sept. 15 - ended up in England as a courier off all things!

Saw Druckenmiller this summer and also learned that "Maggie" has gone back to Chief Warrant - Class to Chief (period) - and you friends and mine, Harrier - to GM 1st class!

How's about dropping us a line at school, al? (112 Woodward Hall, Hanover, N.H.)

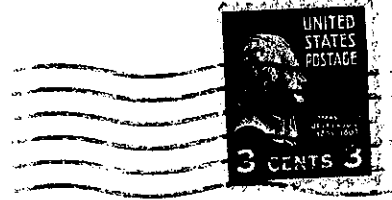

Sincerely,
Dave.

CHRISTMAS GREETINGS
