- 31 August 1966 - FMF PAC Inspection.

ENCLOSURE (1)

Report of S&R Team Operation Colorado

6 August to 22 August 1966

1. The basic S&R team of the First Medical Battalion for Operation Colorado consisted of two Medical Officers, one Medical Service Corps Officer, seventeen Hospital Corpsman and four enlisted Marines. The team departed Chu Lai by truck at 0715 on 6 August 1966 and arrived in Tam Ky at 1230. The team was ready to receive casualties at 1430.
2. At about 0230 on the 12th of August the logistic support area and the S&R team were hit by mortar, recoilless rifle and small arms fire. The team began receiving casualties while under fire and initiated treatment under blackout conditions.
3. A total of 533 patients were seen during the period covered by this report. These included:
 - 396 Marines (21 KIA and two died of electrical shock caused by lightning)
 - 13 Navy (2 KIA)
 - 97 Vietnamese Military
 - 15 Vietnamese Civilians
 - 9 Army (1 KIA)
 - 1 Air Force
 - 1 U.S. Scout Dog
 - 2 Viet Cong Suspects
 - 1 Viet Cong
4. The breakdown by diagnosis is as follows:
 - 282 Battle Casualties
 - 39 Heat Exhaustion
 - 28 Gastroenteritis
 - 9 Electrical Shock
 - 175 Others
5. Of the U.S. Military personnel not able to return to duty, the following were evacuated by helicopter.
 - 194 1st Medical Battalion
 - 12 NSA Hospital, DaNang
 - 6 USS Repose
6. On the 22nd August, Operation Colorado was completed. At 1115, 20 August, the S&R team departed Tam KY by truck and arrived at First Medical Battalion at 1245.
7. Recommendation: In the future, Battalion aid station personnel, including Medical Officers, should be utilized by the S&R team, since the BAS is bypassed in the chain of evacuation.

J.C. ROBINS
CDR, MC, USN
