PART II
NARRATIVE SUMMARY

During October 1969, 1st Medical Battalion continued to execute its mission of providing medical support to the 1st Marine Division, and further, continue to extend its efforts in support of the Division civic action program by conducting MEDCAPS in designated, Villages, Hamlets, Hospital, and Orphanages.

2. In addition, construction on the new hospital continued. Originally scheduled for final completion in mid-October, the nonavailability of essential equipment, i. e., boilers, washers, sinks, and electrical parts ect., slowed progress, and extended the final completion date to mid-December.

3. On 20 October 1969, the Battalion assumed ALCOM/OPCON of "A" Company, 5th Medical Battalion. Although incorporated into the Battalion structure, the company will maintain its identity as "A" Company, 5th Medical Battalion until changed by competent authority.
