CONFIDENTIALPERSONNEL AND ADMINISTRATION

1. Personnel. The personnel situation changed to category 4 on 5 March 1970 due to the transferring of 03 personnel to Headquarters Battalion, preparing the Battalion to redeploy to CONUS.
2. Promotions. Twenty six promotions were effective during the first fifteen days of March 1970 in the grades Pfc through Master Sergeant. There were five Meritorious Combat Promotions.
3. Awards. Fifteen personnel were recommended for personal awards. Eleven awards were presented to members of this Battalion, seven of which were Purple Heart Medals.
4. Tour Extensions. There were no overseas tour extensions during the month of March.
5. Administrative. Frequent staff visits to Company Offices were necessitated due to planned redeployment. Emphasis was placed on the importance of SRB's, personnel plates and timely and proper reporting.
6. Status as of 152400H March 1970.

CONFIDENTIAL

INTELLIGENCE

1. As a result of the battalion's standdown status, intelligence operations were curtailed during March. Primary emphasis was placed on preparation for embarkation and turnover of Southern Sector Defense Command intelligence operations to the 1st Battalion, 5th Marines, which was completed by 5 March.

CONFIDENTIALOPERATIONS AND TRAINING

1. Operations. During the month of March the 1st Tank Battalion remained in a standdown status. All efforts were directed toward completion of embarkation preparations, staging of vehicles, and loading of ships.

a. Company A remained in a cadre status. On 4 March one M-51 VTR was received from Company A, 5th Tank Battalion, eliminating a long standing table of equipment deficiency. Staging of all tracked vehicles at the Bridge Ramp staging area was completed on 5 March. The company embarked aboard USS Dubuque (LPD-8) and departed Vietnam on 15 March.

b. Company B completed movement to the 1st Tank Battalion CP and commenced full standdown on 1 March. Ten of the company's tanks participated in the 1st Tank Battalion change of command ceremony on 7 March. Movement of tracked vehicles to the Bridge Ramp staging area commenced on 9 March and was completed on 10 March. On 11 March the company embarked aboard USS Vancouver (LPD-2) and departed Vietnam.

c. Company C (Rein), detached, remained in support of the 1st Marine Division and the 2nd BOK Marine Brigade.

d. Company A (~), 5th Tank Battalion completed movement of its 14 gun tanks to the Bridge Ramp staging area on 4 March. After passing the agricultural inspection the tanks were invoiced to FLC for shipment to 3rd Service Battalion on Okinawa. The company's M-51 VTR was also transferred to Company A, 1st Tank Battalion on 4 March. Personnel and the remaining equipment were embarked aboard USS Thomaston (LSD-28) on 10 March and departed Vietnam on 11 March. The company will be deactivated after arrival in CONUS.

e. H&S Company completed staging of tanks, wheeled vehicles, and equipment at the Bridge Ramp, Ferry Landing and Deepwater Pier staging areas on 14 March and all personnel moved to the staging areas that evening. On 15 March the company embarked aboard USS Dubuque (LPD-8) and departed Vietnam.

2. Task Organization. As of 15 March the 1st Tank Battalion, less Company C, detached, was embarked aboard U. S. Navy ships and enroute to CONUS.

3. Battalion CP Ground Action. During the first four days of March 1st Battalion, 5th Marines effected a phased relief of 1st Tank Battalion local security forces and assumed responsibility for defense of the battalion CP.

4. Ammunition Expenditure. No ammunition was expended by the battalion during March.

5. Statistical Results. The results of action involving the 1st Tank Battalion during March were:

6. Training. Training prior to departure was limited to shipboard orientation and weapons safety. Lesson plans and training schedules were prepared for General Military Subjects, MOS and weapons safety training while on board ship.

7. Summary. During the month of March 1st Tank Battalion, less Company C, detached, prepared for and completed embarkation aboard U.S. Navy ships for re-deployment to CONUS.

CONFIDENTIALSOUTHERN SECTOR DEFENSE COMMAND

1. During the first four days of March the Commanding Officer, 1st Tank Battalion, in his capacity as Commander, Southern Sector Defense Command, coordinated and controlled 214 activities in support of the defense of the Southern Sector of the Da-nang Vital Area.

2. During March primary emphasis was placed on effecting a smooth turnover of SSDC to the 1st Battalion, 5th Marines. Companies B and C, 1st Battalion, 5th Marines, OPCON to SSDC, were increasingly utilized for day and night activities in lieu of 1st Tank Battalion personnel. After 3 March no 1st Tank Battalion personnel were employed in these activities. Simultaneously 1st Battalion, 5th Marines COC personnel were integrated into the SSDC COC to insure their familiarity with operations prior to turnover. Extensive liaison visits to SSDC units were made by the Commanding Officer, 1st Tank Battalion, with the Commanding Officer and S-3 Officer of 1st Battalion, 5th Marines.

3. At 051200H Mar 70 1st Battalion, 5th Marines assumed responsibility for Southern Sector Defense Command and resumed OPCON of Company C, 1st Battalion, 5th Marines. Company B, 1st Battalion, 5th Marines was being employed in an operation, attached to 1st Battalion, 7th Marines, at the time of turnover.

CONFIDENTIALLOGISTICS

1. Table of Equipment Deficiencies. The Battalion T/E deficiencies of combat essential equipment are as follows:

- 3 Tank, Combat, 90mm, M48A3
- 4 Truck, Utility, $\frac{1}{2}$ ton, M151A1
- 1 Radio Set AN/VRC 12
- 2 Compressor, Reciprocating, M-5
- 4 Mixing and Transfer Unit M-5
- 2 Generator Set, 7.5 KW
- 46 Filter Unit, Gas Particulating, M-8A2

2. Major Table of Equipment Items Received. One (1) Truck, Utility $\frac{1}{2}$ ton, M151A1 and one (1) Lubricating and Servicing Unit, 15 CFM, were received from Division Excess List (from 2nd Battalion, 26th Marines).

3. Maintenance. During March primary attention was devoted to preparation of tracked vehicles and equipment for redeployment to CONUS. All Tactical Equipment Repair Orders except 3 for 45 caliber pistols and 2 for binoculars were closed out. These items are held by 3rd FSR under the Rapid Repair Program and are scheduled to be shipped to the 1st Tank Battalion at Camp Pendleton. All repair parts requisitions were cancelled during reconciliation. All DX items were reconciled. All fast moving repair parts and other necessary equipment and tools were invoiced to Company C and other units throughout the Division as requested by higher headquarters. It is anticipated that extensive maintenance will be required on redeployed vehicles after arrival in CONUS. Complete ITI's (except where placement of vehicles on board ship is restrictive) will be performed during movement to CONUS to facilitate maintenance after arrival.

4. Supply. The shortage of road wheels still exists and is considered a critical item. Requisitions for road wheels and track which were outstanding at FLC (MC 100) and 3rd FSR (MR 100) were cancelled and will have to be resubmitted on arrival in CONUS. A quantity of 21⁹ road wheels is being shipped by Air Freight, in addition to 30 being shipped by surface means, for Company C, which remains in Vietnam.

5. Fiscal. A final report of funds was submitted to the Division Comptroller on 11 March 1970, with a balance of \$25,000 unobligated and turned in. Division Comptroller had received from FLC (MC 100) at that time over \$256,960 due to cancellations on outstanding 1st Tank Battalion documents, as requested by Division.

6. General.

a. In addition to the Combat Essential Items referred to in paragraph (1), the following T/E deficiencies also exist:

<u>FSN</u>	<u>NOMENCLATURE</u>	<u>QUANTITY</u>

PERSONNEL AND ADMINISTRATION

1. Personnel. The personnel situation is category one (1) and remained stable with a net loss of 19 enlisted personnel. During this period there was a shortage of personnel in MOS 1811 due to the number of personnel on Special/Emergency Leave. There was no deadlining of tanks due to the shortage.
2. Promotions. 7 promotions were effective during the month of March in the grades PFC through Sergeant. There were 2 Meritorious Combat Promotions.
3. Awards. 8 were presented to members of this company, all of which were Purple Heart Medals.
4. Rest and Recreation. Sixty seven out of country and no in country rest and recreation quotas were received. Ten out of country quotas were utilized.
5. Tour Extensions. No request were made for overseas extensions.
6. Administrative. The Company went Adcon to 1st Battalion, 5th Marines on 5 March 1970. Emphasis was placed on Records of Emergency Data and issue of ration/MACV Cards to personnel who had none.
7. Status as of 312400H March 1970.
