## PART II

NARRATIVE SUMMARY

Headquarters Battalion (Reinforced) continued to provide administrative, communication, service and military police support to the 1st Marine Division. Security for the division command post was provided and civic action programs were conducted. The attached Dental Company provided dental support throughout the division TAOR and participated in unit civic action programs.

## PART III

SEQUENTIAL LISTING OF SIGNIFICANT EVENTS

|            |                                                                                                                                                                                                                                                                                                                                                                                                               |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1-31 March | Communication Company manned a retransmission site at Hai Van Pass and provided radio relay teams to the 1st, 5th and 7th and 26th Marines.                                                                                                                                                                                                                                                                   |
| 1-31 March | Service Company Reproduction Section completed 1,818,530 work units. The Disbursing Section maintained an average of 25,000 pay records.                                                                                                                                                                                                                                                                      |
| 1-31 March | The total mileage for Battalion vehicles for the period was 87,049. The Supply Section made 765 receipts, 826 issues and 1,202 requisitions. Battalion Aid Station treated 628 Marines and 31 Vietnamese.                                                                                                                                                                                                     |
| 1-31 March | The Civic Action Officer conducted 5 MedCaps and 2 DentCaps at the hamlets of Phuoc Thuan (AT 938731) and Hoa Khuong (AT 935725) treating 559 and 8 persons respectfully. On two occasions the Battalion Commander Colonel John H. Keith Jr. made visits to the hamlets. Presentation of ten General Walt scholarships were made. Psyops consisted of distribution of "Sanitation" and "Thong Gam" magazines. |
| 14 March   | Military Police Company dispatched nine Marines for TCP at Dai La Pass for the helicopter crash.                                                                                                                                                                                                                                                                                                              |

PART II

NARRATIVE SUMMARY

Headquarters Battalion (Reinforced) Continued to provide administrative, communication, service and military police support to the 1st Marine Division. Security for the division command post was provided and civic action programs were conducted. The attached Dental Company provided dental support throughout the division TAOR and participated in unit civic action programs.

PART III

SEQUENTIAL LISTING OF SIGNIFICANT EVENTS

|            |                                                                                                                                                                                                                              |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1-30 April | Communication Company continued to provide both command and functional support for the 1st Marine Division Command Post.                                                                                                     |
| 1-30 April | Service Company Disbursing Section maintained an average of 25,000 pay records and accomplished the task of recomputing each card to include the recent pay increase prior to May first payday.                              |
| 1-30 April | The total mileage for battalion vehicles for the period was 96,130. The Supply Section made 491 receipts, 436 issues and 903 requisitions. Battalion Aid Station treated 520 Marines and 266 Vietnamese.                     |
| 1-30 April | The Civic Action Officer conducted 4 MedCaps at the hamlets of Phuoc Thuan (AT 938731) and Hoa Khuong (AT 935725) treating 230 persons. Psyops consisted of distribution of "Sanitation" leaflets and "Thong Cam" magazines. |
| 22 April   | Military Police Company relinquished responsibilities for traffic control of Hai-Van Pass to the 504th Military Police Battalion, U.S. Army.                                                                                 |
| 1-30 April | Headquarters Company average monthly strength was 222 Officers, 887 enlisted USMC, 12 Navy Officers and 31 Navy enlisted.                                                                                                    |

ENCLOSURE (1)

[REDACTED]

1-30 April

[REDACTED]

1st Dental Company treated 4,289 Marines and a total of 163 Vietnamese.

5 April

Security Platoon apprehended 6 Vietnamese on hill near positions and turned them over to District Police Headquarters.
