1ST BN, 4TH MARINES SITREP NUMBER 266 AS OF 271600H JANUARY 1966

1. Unit Action With Contact.

- X a. At 270210H, a Company D squad ambush at (BT 459072) received four incoming sniper rounds from (BT 461078). No rounds were returned due to the distance and uncertainty as to the exact location of origin of the sniper.
- X b. At 270220H, a Company B reinforced squad outpost located at (BT 458143) was attacked by approximately 20 to 30 VC. The VC initiated the attack with 4-5 60mm mortar rounds and A/W (suspected .50 Cal MG) fire from (BT 457147, immediately followed by approximately five grenades thrown into the squad CP position killing the squad leader and radio man immediately. The VC then threw grenades and fired S/A's at the machine gun and 3.5 rocket launcher positions. After the initial grenade and S/A attack, the remaining two fire teams regrouped and set up a hasty defense at (BT 458142) and returned fire. The attack came from a southerly direction and was the opposite direction from which the outpost was oriented. A significant point is that the VC knew exactly where the squad CP and machine gun were located. An additional point, the raiding party covered an area of more than 200 meters that was well covered with trip flares, no flares were tripped. The weapons and equipment lost by the squad outpost were two .45 caliber pistols, one M-79 and 17 rounds of ammo, one M-14 rifle, one 3.5 inch rocket launcher, and one PRC/6 radio. There were five friendly killed in action. The squad outpost observed approximately six to ten VC being carried away in a southerly direction toward (BT 460135).
- c. At 270900H, a Company A squad patrol located at (BT 443056) received one sniper round from an undetermined origin. The enemy was not observed and no fire was returned. At 270915H, the patrol discovered one booby trapped grenade at (BT 445057). The booby trap was disarmed with no casualties. Numerous propaganda signs were observed in the area of (BT 455055). One sign translated to read "We will try again to defeat American Imperialism."
