Subj: Flight date assignments

1. (1) Flight date assignments for March 1966

1. Flight dates for rotation during the month of March 1966 are assigned by block to subordinate units of this command. Enclosure (1) contains these assignments.

2. It is imperative that all quotas be filled. Requests for increase or decrease should arrive at this Headquarters (SC-7B) 48 hours prior to flight date involved. Major changes due to operational commitments should be brought to the attention of this Headquarters (SC-7B) as early as possible.

3. Personnel assigned each days flight will report with orders, properly endorsed to Representative, 1st Pac Transient Facility, Marine Air Terminal not later than 1500 on the day prior to scheduled flight. No personnel will be authorized after personnel report nor will any person leave the assigned area unless so directed. Commanding officers will insure that personnel are instructed concerning the above.

4. Navy personnel will be rotated under quotas assigned to the Division Surgeon.
