Technical drawing of a mechanical assembly, likely a pump or engine component. The drawing shows a side view of a complex machine with various parts labeled with letters and numbers. The central part of the drawing is a large, rectangular block with a central shaft or pipe passing through it. To the left of this block is a smaller, more complex assembly with several curved and straight components. To the right is another large, rectangular block with a similar central shaft. The drawing is a detailed technical illustration, possibly a cross-section or a perspective view, showing the internal and external structure of the machine.
