#### PART II

#### INTELLIGENCE

#### A. ENIMY

l. General. During this reporting period fifty-ino (52) enemy contacts were made. During daylight hours friendly initiated contacts numbered four teen (14) while enemy initiated contacts numbered four (4). During the hours of darkness, friendly initiated contacts numbered twenty-eight (28) while enemy initiated contacts numbered six (6). The Battalion, as a result, accounted for one-hundred and twenty-one (121) enemy KIA's and eight (6) POW's.

Enemy units reported in, near, or moving the Battalion's TACR included: elements of the Q83rd Battalion; that Battalion; 36th NVA Regiment; 1st Engineers Company (nfi); 11th Battalian of the 38th Regiment; 103D Battalion; one (1) Company of the 575th Artillery Battalion; the 577th Rocket Battalion; and one (1) Company of the 5-09th Sapper Battalion.

## 2: Items of Significance

5

- a. On 17 December, at 1625%, elements of Company "In observed twenty (20) to twenty-five (25) VC/NVA running in an easterly direction in the vicinity of coordinates AT941625. The enemy was taken under fire. A sweep of the area revealed traces of blood and drag marks.
- b. On 18 December, at OhOOH, elements of Company "I" observed seventy (70) VC/NVA moving east to west vicinity of coordinates AT929637. The enemy were dressed in NVA uniforms. One-helf were carrying weapons and the other half were carrying heavy bags believed to contain weapons and ordinates. Fire missions from 81mm's, 105's, 155's and one (1) gunship were utilized in covering the area with fire. A Flore Ship was also called to provide illumination. A thorough search of the area revealed four (4) enemy KIA's and one (1) 140mm rocket.
- c. On 23 December, at 2025H, elements of Company "I" observed and opened fire on approximately fifty (50) VC/NVA; (vicinity of coordinates AT935621) resulting in thirteen (13) enemy KIA's one [1] AK50 assault rifle, and miscellaneous gear captured.
- d. On 24 December, at 1000H, elements of company W. Sound one (1) homemade 60mm morter tube with an attached adjustable stand, (vicinity of coordinates AT923577). The morter showed signs of recent use.

177.6

e. On 24 December, at 2045H, elements of Company "I" received fire from approximately one-hundred (100) VC/NVA (vicinity of coordinates AT938622). Elements of the Company returned fire and called artillery for area coverage, which resulted in thirty-one (31) enemy KIA's and three (3) POW's. Interrogation of the POW's revealed that their activity had been a function of the 31st Regiment. They also revealed that elements of the 20th Medical Company, 22nd Transportation Company and the 8th Battalion were also involved in the activity.

f. On 24 December, at 211CH, elements of Company "L" encountered approximately sixty (60) VC/NVA (vicinity of coordinates AT937621) and accounted for ten (10) NVA KIA's. The enemy were believed to be of the same unit which were taken under fire by Company "I" at 242045H, December 1969 (vicinity coordinates AT938622).

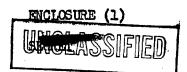

g. On 26 December, at 2110H, elements of Company "M" observed in excess of fifty (50) VC/NVA moving in an easterly direction (vicinity of coordinates AT975659). An artillery mission was called and a search of the area resulted in one (1) M-26 hand grenade, one (1) M-60 assault pouch, and one (1) Starlight Scope.

h. On 27 December, at 1400H, elements of Company "I" (vicinity of coordinates AT953672), found one (1) 122mm rocket booster intact.

#### B. WEATHER

The temperatures for this month have ranged from an average high of seventy-nine (79) degrees to an average low of sixty-seven (67) degrees. Rainfall for the month was three and one-tenth (3.1) inches, whereas the average monthly rainfall for December is eight and seven tenths (8.7) inches.

#### C. TERRAIN

The Battalion TACR consists primarily of flooded rice paddies and scattered treelines except for the mountainous portions of the TACR known as "Charlie Ridge". Seedling rice is presently being cultivated for winter harvest. The monsoon season has reached a hull and although terrain permits improved troop movement, traffic in many instances is restricted to elevated transportation routes. Overall terrain conditions are rated as fair.

UNGLASSIFIED

#### PART II

#### OPERATIONS.

## A. ORGANIZATION AND DISPOSITION

Operations in the 3rd Battalion's TACR centered on securing the DaNang Rocket Belt. Squad sized combat and ambush patrols were used to accomplish this mission. A second mission, interdiction of the enemy's routes of supply, was attained by ambushes along the base of "Charlie Ridge" and in the area of the "Hook" (AT953630). On the nights of 23 and 24 December elements of Companies "I" and "L" accounted for fifty-four (54) enemy KIA's and three (3) POW's, in separate engagements at the base of "Charlie Ridge". The enemy, as a result of these encounters, was left without his vital supplies of food and his capability to attack was seriously diminished.

Riverine Operations conducted by Company "L" continued on the navigable waterways within the Battalion's TACR.

From 12 December through 18 December, Company "K" conducted search and destroy operations in the western "Dodge City" AO. During the operations which were centered in the AT9656 and AT9756 grid squares, the Company accounted for one (1) VC KIA, eight (8) bunkers and numerous fighting positions destroyed, ten (10) booby traps found and destroyed, and two (2) individual weapons captured.

As of 31 December, the disposition of forces under the tactical control of the 3rd Battalian was as follows:

Company "I" CP was located on Hill 22 (AT953667). The Company was operating in the northwestern portion of the Battalion TACR.

Company "K" CP was located on the Golden Gate Bridge (AT9646C4). The Company operated in the southern portion of the Battalion TACR.

Company "L" CP was located on Hill 37 (AT916582). The company operated in the central area of the Battalion TACR.

Company "M" CP was located on Hill 55 (AT967617). The Company was under the operational control of 1st Marine Regiment for participation in the Infantry Company Intensive Pacification Program (ICIPP).

#### B. AIR SUPPORT DEFENSE

### 1. FIXED WING

During the month of December, the Third Battalion, First Marines completed a total of ninotypited (22) fixed wing bir missions, which included twenty-five (25) A-6 Beacons, twenty-eight (28) Close Air Support Missions, eight (8) Shadow Gunship AC-119 aircraft, eight (8) C-130 Basketball Flare Ships, and twenty-three (23) Forward Air Controllers (Airborne). These aircraft expended a total of two hundred and fifty six (256) tons of bombs and napalm, one hundred and fifteen thousand (115,000) rounds of 7.52mm and 20mm ammunition, and eight hundred and fifty (850) flares.

In the assessment of bomb damage, six (6) bunkers, two (2) huts and five hundred (500) meters of treeline were destroyed. Sixty (60) secondary explosions and fires of various sizes were also observed. One (1) VC/NVA was killed by an airborne controller when he was hit by a White Phosphorous marking round.

#### 2. MEDEVACS

Merine belicopters in support of the Third Battalion, First Marines completed twenty eight (28) medevac missions including twenty five (25) emergencies, fifteen (15) priorities, and ten (10) routines. The average time for emergency medevacs was thirty (30) minutes from the initial call for the aircraft to its arrival over the landing zone.

## 3. RECONNAISSANCE FLIGHTS

There were twenty three (23) visual Recon Flights flown during the month.

## 4. LOGISTICS

Helicopter resupply supported Company "I" located at Hill 22 (AT953667) for the entire menta.

1 1 1 1 1 E

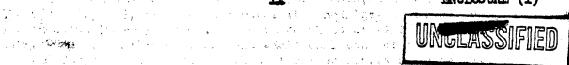

Devastating Artillery and Mortar fire was released upon the enemy during the month of December. The 1st Battalion, 11th Marines Artillery Regiment provided artillery fire in the direct support role using Batteries "A" and "C". General support from Battery "I", Lith Battalion, 11th Marines (155 Self-propelled Howitzer) and Battery "C", 3rd 8 Inch Battery, 11th Marines supplemented the direct support fires. Mortar support came from the 81mm Mortar Plateon of the 3rd Battalion, 1st Marines. Both the mortar and artillery fires substantially increased this month due to the higher level of enemy activity. The 3rd Battalion employed its organic 100mm Recoilless Rifles and Tanks of 3rd Platoon, Company "B", 1st Tank Battalion to supplement mortar and artillery fires. The Battalion fires also supported the Popular Forces, Regional Forces and the Combined Action Companies operating in it's TACR.

The Battalion Fire Support Coordination Center personnel were provided by Battery "C", 1st Battalion, 11th Marines, and the 81mm Mortar Platoon. 81mm Mortar and Artillery Forward Observer Teams were attached to each company. Numerous classes in calling and adjusting supporting arms were conducted this month by the Artillery Forward Observers and the Artillery Liaison Officera

The total number of rounds fired this month, over twenty-seven thousand (27,000), exceeded the total attained last month by more than six thousand (6,000) rounds. More thorough coverage of the TAOR by harrassing and interdiction fires and additional contact fire missions accounted for this increase. Hocking fires on routes of enemy escape were emphasized during contact.

#### PART II

#### TRAINING

### 1. THE BATTALION CONDUCTED THE FOLIDWING TRAINING DURING DECEMBER

- a. Indoctrination/Orientation. Forty nine (49) enlisted and seven (7) Officers and Staff NCO's completed a five (5) day Indoctrination/Orientation Course prior to being deployed to units in the field. A complete schedule of classes included lectures by the Battalion CO, all Executive Staff Sections, Air and Artillery Liaison Officers, Medical Section and Communications Officer. Special emphasis was placed on Mines and Booby Traps, Personal Response, orders which govern the actions of individual Marines, and the goals and missions of the Battalion.
- b. Company Training Cycle. All Companies conducted training on a weekly schedule which included Supporting Arms, Squad Tactics, Mines and Booby Traps and NCO Leadership. Division Contact Teams were used whenever possible and emphasis in training is placed on areas of weakness as determined by the Company Commanders.
- c. The Battalion Rifle Range was used to instruct all incoming personnel in the quick fire/quick kill method of engagement. A total of seventy five (75) Marines were instructed in this method. Furthermore, all new personnel and any others who desired, were given the opportunity to familiarization fire and place battle sights on their weapons.
  - d. Quotas were received and filled for the following formal schools:
    - (1) In Country Schools

#### PART II

#### LOGISTICS

#### A. ENGINEER ASSISTANCE AND OTHER CONSTRUCTION

During this reporting period, no new engineer work requests were completed. Work continues on the construction project undertaken by MOB 74. At present, seventeen (17) new SEA Huts have been completed along with one (1) new forty foot water tower. Foundations have been laid for two (2) twenty-head shower units and one (1) ten-head shower unit. Work has commenced for two hundred and fifty (250) man addition to the messhall. NSA Public Works has conducted an electrical survey of the existing wiring on the Hill 37 Combat Base (AT915582). This survey is to be followed by an upgrading of the wiring and a step-up of power from 100 KW generators to 150 KW generators. One (1) forty foot observation tower has been ordered and is under construction. It is to be placed at the junction of Route 1D and Route 4 (coordinates AT967584).

### B. SUPPLY

Classes I, II, III, and IV supply support have been sufficient during December to meet this Battalion's operational commitments. Flak jackets are no longer a critical item, however, crew served weapons have now become critical. This Battalion's MARES Percentages have remained significantly high during the past month due to the receipt of many new items from FSR/FIC.

#### C. MAINTENANCE

The following Tactical Equipment Repair Orders were submitted to Maintenance Battalion, 1st FSR/FIC during December.

TYPE	SUBMITTED	COMPLETED

توسي ه تو

#### PART II

#### COMMUNICATIONS

#### A. PERSONNEL

As of 31 December, the Communications Platoon consisted of one (1) officer and seventy-nine (79) enlisted personnel.

#### B. EQUIPMENT

During the month one, (1) AN/MRC-87 radio jeep was turned into Maintonance Battalion in exchange for one (1) AN/MRC-124 radio jeep. Three (3)
telephone sets TA-312 were received by the wire section. There has been
no change in the status of the AN/TGC-14 and AN/TGC-3 Teletypewriters for
the message center. Full implementation of the Nestor (cypher) System
brought about a re-evaluation of battery usage data, multiplying previous
consumption by three (3). An appraisal of the wire system on Hill 37
(AT915581) was made by NSA. A complete rewiring of the cantonment was
recommended, in addition to a step-up in power from a 100 KW generator to
150 KW generator. The continuous rewiring of the cantonment has relieved
the load on the present 100 KW generators. About twenty-five (25) living
quarters were rewired during the month. One (1) generator was replaced
at the SEABEE Bridge (AT914587).

## C. OPERATIONS/TRAINING

Personnel from the Communications Platoon participated in several short-range patrols. Extensive training was conducted with the Nestor System, while training with the AN/PPS-6 Radar Set, now employed with Companies "I" and "K", continued. Classes were held for incoming personnel on the functioning of the AN/PRC-25 and AN/PRC-88 radios.

#### PART II

#### MEDICAL/DENTAL AFFAIRS

#### A. PERSONNEL

1. On 31 December, the total strength was one (1) Medical Officer and fifty-five (55) corpsmen. During this period eight (8) corpsmen were transferred to other commands: four (4) for duty, one (1) for separation, and three (3) for temporary duty under treatment. One (1) corpsman was WIA and one (1) corpsman was KIA in this period.

#### B. PATIENT LOAD

- 1. For this period four hundred and ten (410) patients were seen at the Battalion Aid Station Sick Call for an average of fourteen (14) patients per day.
- 2. There were six (6) diagnosed with  $V_*D_*$ , eight (8) with diarrhea, thirteen (13) with upper respiratory infection, two (2) with FUO, eighteen (18) with skin disorders and one (1) with malaria.

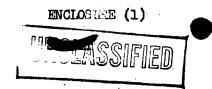

## C. MEDCAP/DENTCAP

- 1. Medical aid was given to nine hundred and ninety (990) Vietnamese civilians.
  - 2. Dental care was given to forty-eight (48) Vietnamese civilians.
- 3. BAS Medical Personnel held ten (10) MEDCAP/DENTCAP in the month of December.

#### D. SANITATION

1. Sanitation inspections were held weekly in the month of December. There were few discrepancies noted. The major discrepancy is improper burning and emptying of head barrels. Measures have been taken by the Battalion Aid Station to correct this situation by holding classes on the proper method of burning head barrels and conducting additional inspections.

The Mess Hall has shown improvement, but there remains a trash and garbage problem. An additional water supply to the Mess Hall is under construction. The Medical Department is continuing to take measures in the controlling of rats by setting poison bait throughout the areas. All dogs in the area are registered with S-4 and have proper inoculations.

#### **OPERATIONS**

#### A. ORGANIZATION AND DISPOSITION

The 3rd Battalion continued to saturate it's AO with squad sized patrols and ambushes in accomplishing the missions of securing the DaNang Rocket Belt and in ordicting the enemy's routes of infiltration and supply.

Pre-Tet Operations included coordination of a comprehensive plan to assist in the defense of resettlement and refugee areas, Combined Action Platoons (CAP), Combined Unit Pacification Program Units (CUPP), and GVN Units within our AO.

On January 11,-15, Company "I" conducted a two (2) day operation at coordinates AT9(-694 in search of possible rocket caches. Air, Artillery, and Shum Martars were used to prep fire the objective area. Amtracs from 3rd Platcon, Company "C", 3rd Amtrac Battalion were used to move troops from Till 22 (AT953667) north along the Song Yen to the objective area (vicinity AT964694).

The Battalion was reinforced on 28 January, when it received OPCON of Company "G", Second Battalion, First Marines, for a period to last through TET. Company "G" was deployed along the base of "Charlie Ridge" to further interdict the enemy's attempts to replenish his food stores and medical supplies.

As of 31 January, the disposition of forces under the tactical control of the 3rd Battalion was as follows:

Company "I" CP was located on Hill 22 (AT953667). The Company was operating in the northwestern portion of the Battalion AO.

Company "K" CP was located on Hill 37 (AT916582). The Company operated in the central area of the Battalion AO.

Company "L" CP was located on the Golden Gate Bridge (AT964604). The Company operated in the southern portion of the Battalion AO.

Company "M" CP was located on Hill 55 (AT967617). The Company was under the operational control of 1st Marine Regiment for participation in the Combined Unit Pacification Program.

Company "G", 2nd Battalion, 1st Marines OPCON to 3/1, operated in a mobile status at the base of "Charlie Ridge", (vicinity of grid squares AT9262, AT9463 and AT9363).

ENCLOSURE (1)

#### B. AIR SUPPORT

#### FIXED WING

The First Marine Aircraft Wing supported the Third Battalion with a total of one hundred and twenty three (123) fixed wing air missions. These consisted of forty seven (47) close air support missions; nineteen (19) A-6 Beacons; six (6) AC-119 Shadow Gunship missions; one (1) C-130 Basketball flareship mission; and fifty (50) Forward Air Controller (Airborne) missions utilizing OV-10 aircraft. These aircraft dropped a total of three hundred and fifty four (354) tons of bombs and napalm, expended ninety five thousand (95,000) rounds of 7.62mm and 20mm ammunition, and dropped forty two (42) flares.

In the assessment of bomb damage, four (4) bunkers, twenty three (23) huts, and three thousand six hundred and sixty five (3,365) meters of treeline were destroyed. Fifteen (15) secondary explosions and fires of various size were observed. An interrogation report of a Hoi Chank revealed that on 21 January in the vicinity of coordinates AT956567 fourteen (14) WO/NVA were killed by an airstrike on their position.

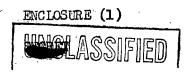

#### ROTARY WINGED AIRCRAFT

Thirty nine (39) medevacs were completed which evacuated twenty six (26) Emergencies, twenty seven (27) Priorities, and twelve (12) Routines. The average time for the arrival of an Emergency Medevac aircraft over IZ was nine (9) minutes from the time of initial request. The average time for an Emergency Medevac from initial request to mission completion was twenty nine (29) minutes.

Two (2) troop lifts were completed during the month, lifting a total of three hundred and thirty one (331) passengers.

Helicopter resupply supported Companies "I" and "G" at Hill 22 and mobile platoons from Company "L".

There were twenty one (21) Visual Reconnaissance Flights utilizing CH-46 and UH-1E aircraft.

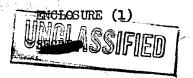

#### C. ARTILLERY

Ith Marine Regiment Artillery weapons and the Battalion 81mm
Mortar Platoon provided heavy indirect fires upon the enemy during
January. Total round expenditures exceeded twenty-seven thousand
(27,000). The 1st Battalion, 11th Marines Artillery Regiment provided artillery fire in the direct support role using Batteries "A"
and "C". Additional artillery fires from Battery "I", 4th Battalion,
11th Marines (155mm self propelled howitzer) and Battery "C", 3rd
8 Inch Banky, 11th Marines supplemented the direct support fires.
The Pattalian's locater Platoon fired over seven thousand (7,000)
rounds the (3) mortar positions located on Hills 22, 37 and
55 allowed the located of the greater portion of the
Battalion And Amillery and mortar fires also supported the Popular
and Regional Forces, Combined Action Companies and CUPP Units. To
augment the indirect fires the Battalion used the 106mm Recoilless
Rifles and Tanks of the 3rd Platoon, Company "B", 1st Tank Battalion.

61mm 1 to 11d Artillery Forward Observer Teams were provided to each company fire support classes were conducted by the Forward Observers attalion Fire Support Coordination Center personnel came from 1 try "C", 1st Battalion, 11th Marines and the 81mm Mortar Platoca. The support indoctrination for newly joined Marines was conducted by 100 personnel.

Harrassing and interdiction rounds increased this month because of the higher probability of enemy movement. Adjustment of Artillery and Mortar Fire by small unit leaders rather than the Forward Observer was emphasized.

#### TRAINING

#### 1. THE BATTALION CONDUCTED THE FOLLOWING TRAINING DURING JANUARY

- a. Indoctrination/Orientation. Sixty six (66) enlisted and seven (7) Officers and Staff NCO's completed a five (5) day Indoctrination/Orientation Course prior to being deployed to units in the field. Scheduled classes included lectures by the Battalion CO, all Executive Staff Sections, Air and Artillery Liaison Officers, Medical Section and Communications Officer. Special emphasis was placed on Mines and Booby Traps, Personal Response, orders which govern the actions of individual Marines, Drug Abuse and the goals and missions of the Battalion.
- b. Company Training Cycle. All Companies conducted training on a weekly schedule which included Supporting Arms, Squad Tactics, Mines and Booby Traps and NCO Leadership. Division Contact Teams were used whenever possible and emphasis in training is placed on areas of weakness as determined by the Company Commanders and approved by the Battalion Commander.
- c. The Battalion Rifle Range was used to instruct all incoming personnel in the quick fire/quick kill method of engagement. A total of seventy three (73) Marines were instructed in this method. Furthermore, all new personnel and any others who desired, were given the opportunity to FAM fire and place battle sights on their weapons.
  - d. Quotas were received and filled for the following formal schools:

#### (1) IN COUNTRY SCHOOLS

Landmine Warfare	35
Officer Leadership	1
SNCO Leadership	1
NCO Leadership	6
Cable Splicer	1
H.S.T.	3
16mm Projectionist	4
Vietnamese Language	2

#### LOGISTICS

### A. ENGINEER ASSISTANCE AND OTHER CONSTRUCTION

During the reporting period the construction project undertaken by MCB 74 has been completed. The project consisted of thirty (30) new SEA Huts, a forty foot water tower, two (2) twenty (20) head and one (1) ten (10) head shower units, and a two hundred fifty man addition to the messhall, one (1) forty foot observation tower has been ordered and is under construction. It is to be placed in the vicinity of grid AT968584.

A work order has been initiated for the following items, ten (10) SEEMOR 250 Back-Pack/Bush Work Illumination Devices, one (1) standard four (4) hole head to be constructed at Golden Gate Bridge, and a new grease trap for the messhall.

This Combat Base is presently engaged in making extensive and essential improvement on its defensive perimeter. The increasing threat of enemy sapper attacks has made additional defensive preparations imperative.

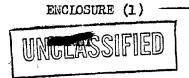

# B. SUPPLY

Classes I, II, III, and IV supply support have been sufficient during January to meet this Battalion's operational commitments. Flak jackets still remain a non-critical item. Crew served weapons are no longer critical, however, the status of crew served weapons change frequently on a daily basis.

#### C. MAINTENANCE

The following Tactical Equipment Repair Orders were submitted to Maintenance Battalion, 1st FSR/FIC during January.

TYPE	SUBMITTED	COMPLETED	
Motor Transport	6	3	
Ordnance	10	11	
Comm/Elect	61	43	
Engineer	0	o	

#### COMMUNICATIONS

#### A. PERSONNEL

At the end of January, the Communications Platoon consisted of one (1) officer and seventy-seven (77) enlisted personnel.

### B. EQUIPMENT

The Wire Section received a total of fifty-three (53) TA-1/PT telephones. Thirty-one (31) are replacements and twenty-two (22) reflect an increase in T/E. Wire also received three (3) TA-312 telephones. The Radio Section received two (2) PRC-77 radios which completed the T/E allowance for that item of equipment. Also received were seventeen (17) PRC-88 radios which are replacements for those on combat loss. There has been no change in equipment status for the Message Center. So far, no problems have been encountered with the NESTOR (cypher) System. Battery usage for the system has stabilized at about four hundred (400) BA-36's per week. The Generator Section received a new 100KW generator for Hill 37. The 36KW generator at the Golden Gate Bridge (AT968606) was replaced. The Sea Bee Bridge (AT913587), COC Bunker, and twenty (20) living quarters were rewired. There is no change in status on the step-up of power.

#### C. OPERATIONS/TRAINING

Personnel from the Communications Platoon participated in several short range patrols and night ambushes. Training of personnel on the NESTOR System continues with good results. The Platoon has been organized into a Combat Base Reaction Force consisting of three (3) squads. Basic infantry training and FAM Firing of organic weapons is being conducted on a continuous basis.

#### MEDICAL/DENTAL AFFAIRS

### A. PERSONNEL

1. At the end of January the total strength was one (1) Medical Officer and fifty-four (5h) corpsmen. During this period five (5) corpsmen were transferred to other commands: two (2) for duty, two (2) for separation, and one (1) for temporary duty under treatment. There was one (1) WIA for this period.

#### B. PATIENT LOAD

- 1. For this period three hundred and sixty-three (363) patients were seen at the Battalion Aid Station Sick Call for an average of twelve (12) patients per day.
- 2. There were fourteen (14) diagnosed with V.D., eighteen (18) with diarrhoa, twelve (12) with upper respiratory infection, three (3) with FUO and forty-six (46) with skin disorders.

### C. MEDCAP/DENTCAP

- BAS corpsmen held seven (7) MEDCAP/DENTCAPS in the month of January.
- 2. Medical aid was given to one thousand one hundred four (1,154) Vietnamese civilians by the BAS.
  - 3. Dental care was given to forty-seven (47) Vietnamese civilians.

#### D. SANITATION

1. Weekly sanitation inspections were conducted. The Battalion was an overall satisfactory with few discrepancies noted. The mess hall has shown considerable improvement, even though the grease traps are presently inadequate. The Battalion S-4 has taken measures to have them replaced. Trash and garbage removal appears to be adequate through the Battalion areas. The Medical Department continues to place rodent poison throughout the Battalion area.

SECRET

#### PART III

#### SEQUENTIAL LISTINGS OF

#### SIGNIFICANT EVENTS

O21430H. A close air strike at coordinates AT894626 resulted in a large secondary explosion and fire which lasted for twenty five (25) minutes. Fire was of a chemical nature.

OLOO15H. Company "I" sighted ten (10) VC/NVA moving south to north at coordinates AT947692. Engaged enemy with organic weapons resulting in ten (10) VC/NVA KIA, three (3) AK-47, two (2) 7.62mm pistols, fourteen (14) ChiCom grenades, various documents, and miscellaneous food captured.

O40030H. Second Platoon, Company "I" upon receiving five (5) mortar rounds, RPG and small arms fire at coordinates AT936641, returned fire with organic weapons, 81mm mortar and artillery fire. Contact resulted in two (2) USMC KIA, one (1) emergency and one (1) WIA routine medevac. Three (3) NVA vere KIA, and one (1) AK-47, and eleven (11) ChiCom grenades were captured

Ohlh 30H. A close air strike at coordinates AT960569 resulted in a large secondary explosion and fire, two (2) bunkers destroyed, and one (1) VC/NVA KIA.

061545H. First Squad, Third Platoon, Company "L" discovered turnel at coordinates AT952622. Activity received small arms fire from tunnel, and threw in a grenade resulting in one (1) VC/NVA KIA.

0710,5H. Air strike at coordinates AT905620 resulted in one (1) medium secondary explosion.

071110H. M-51 Dump Truck from Company "D", 7th Engineers detonated a sixty (60) pound box mine at coordinates AT922545, resulting in one (1) USMC WIA priority medevac.

071510H. First Squad, Second Platoon, Company "K", observed VN male wearing a USMC camouflaged shirt over NVA brown shirt and green shorts at coordinates AT978604. As patrol approached, suspect started running and attempted to cross river. Individual was taken under fire resulting in one (1) VC/NVA KIA. Three (3) grenades and miscellaneous gear were captured.

081230H. Second Squad, First Platoon, Company "K" at coordinates AT945585 received sniper fire resulting in one (1) USWC WIA routine medevac.

O91100H. Forward Air Controller (Airborne) working for Second Squad, Third Platoon, Company "K", sighted three (3) VC/NVA with weapons running into a graveyard at coordinates AT945567. FAC(A) took enemy under fire but as

#### SECRET

squad began a sweep of the area, it detonated a booby trap resulting in one (1) USMC WIA emergency medevac. The activity then continued the sweep finding three (3) VC/NVA KIA by small arms fire.

091330H. Lieutenant Colonel GANEY relieved of command by Lieutenant Colonel BOYD.

091630H. First Platoon, Company "K" received small arms fire from enemy at coordinates AT962569, AT972568 and AT974570. Activity returned fire and called in Artillery Fire Mission resulting in four (4) VC/NVA KIA and four (4) secondary explosions.

101215H. First Platoon, Company "L" had a Marine trip a 60mm mortar round set as a booby trap at coordinates AT940588 resulting in one (1) emergency and two (2) priority USMC WIA medevacs.

102025H. Sentries from Company "K", standing post on the Golden Gate Bridge at coordinates AT9646C4, observed a ten (10) foot triangular object floating down the river. As the object came into range a fire team engaged with small arms. The object lodged against bridge pilings and detonated destroying a twenty (20) to twenty five (25) foot section of the bridge which resulted in three (3) USMC WIA priority medevacs.

111255H. Second Squad, First Platoon, Company "K" observed two (2) VC/NVA approximately 13 to 15 years of age wearing green and blue uniforms at coordinates AT958588. Activity pursued enemy capturing two (2) POW's. Two (2) ChiComs, one (1) M-26 grenade, two (2) M-16 magazines and miscellaneous gear were also captured.

121110H. A Marine from Second Platoon, Company "L" while on patrol tripped a booby trapped 105mm Artillery round at coordinates AT930600, resulting in one (1) USMC KIA and one (1) USMC WIA routine medevac.

130935H. First Platoon, Company "K" sighted one (1) male age twelve (12) attempting to hide at coordinates AT956592. Individual was apprehended, questioned by ITT personnel, and admitted being a VC.

131055H. First Platoon, Company "L" sighted three (3) VC/NVA at coordinates AT903553. Enemy were taken under fire with small arms and artillery resulting in one (1) VC/NVA KIA.

141300H. Second Squad, Second Flatoon, Company "K" found approximately six hundred (600) pounds of rice in ceramic containers buried in a tree-line at coordinates AT952571.

161210H. Second Squad, Third Platoon, Company "K" observed one (1) VC/NVA at coordinates AT928577. Activity called for VC/NVA to halt, and fired warning shot individual continued to run and was taken under fire resulting in one () VC/NVA KIA. Three (3) ChiComs, and (1) M-26 grenade were captured.

ENCLOSURE (1)

#### DECLASSIFIED

#### SECRET

180215H. Second Platoon, Company "L" at coordinates AT913587 received two (2) RPG rounds resulting in one (1) USMC WIA routine medevac.

182240H. Second Platoon, Company "I" received one (1) RPG round and light small arms fire when they fired on six (6) enemy moving to the northeast at coordinates AT960696. Result was one (1) VC/NVA KIA. Two (2) M-26 grenades and one (1) ChiCom grenade were captured.

191145H. Second Platoon, Company "I" while checking area of contact at coordinates AT960696 found two (2) additional WC/NVA KIA, two (2) ChiCom and four (4) M-26 grenades, one (1) bag C-4, one demo bag with six (6) claymore mines and other miscellaneous gear.

191905H. Third Squad, Third Platoon, Company "L" moving into ambush site received small arms fire from vicinity coordinates AT961601, activity returned fire but enemy broke contact. Contact resulted in one (1) USHC WIA emergency medevac.

201300H. While on patrol, a Marine from Second Squad, First Platoon, Company "I" tripped a booby trapped ChiCom granade at coordinates AT962593 resulting in one (1) USMC WIA routine medevac.

202130H. An air strike employing the Shadow AC-119 Aircraft resulted in six (6) secondary explosions at coordinates AT960566.

211030H. A Marine from First Squad, Second Platoon, Company "I" detonated a ten (10) pound box mine at coordinates AT956682 resulting in one (1) USMC WIA priority medevac.

212115H. First Platoon, Company "I" received small arms fire from enemy at coordinates AT927573. Activity returned fire with organic weapons and 60mm mortar resulting in three (3) VC/NVA KIA.

212125H. First Platoon, Company "I" sighted five (5) VC/NVA at coordinates AT955624 and engaged enemy with organic weapons resulting in three (3) VC/NVA KIA and one (1) AK-17, eight (8) ChiCom grenades and miscellaneous gear were captured.

212130H. Third Squad, Second Platoon, Company "I" detected movement in a treeline at coordinates AT964697. Activity opened fire with small arms. During the skirmish the activity suffered one (1) USMC WEA emergency medevac.

212330H. Third Squad, First Platoon, Company "I" detected movement at coordinates AT937617. Activity fired on enemy resulting in one (1) VC/NVA KIA.

220730H. First Platoon, Company "I" swept area of previous night's contact (212330H) and found one (1) additional VC/NVA KIA, one (1) AK-47 rifle, and miscellaneous equipment.

220830H. Second Platoon, Company "I" sighted three (3) enemy at coordinates AT967695. Enemy were taken under fire with small arms resulting in two (2) VC/NVA KIA.

221240H. First Squad, Second Platoon, Company "I" sighted one (1) VC/NVA setting booby trap at coordinates AT956681. Activity engaged enemy resulting in one (1) VC/NVA KIA.

2309hOH. First Squad, Third Platoon, Company "K" received small arms fire from approximately twenty (20) VC/NVA at coordinates AT909556. Activity engaged enemy with organic weapons and called 81mm mortar mission resulting in three (3) VC/NVA KIA.

231000H. Marine from First Platoon, Company "L" detonated a booby trapped M-26 grenade at coordinates AT945576 resulting in two (2) USAC WIA priority medevacs.

231350H. Second Platoon, Company "K" found (1) VC/NVA KIA at coordinates AT955626. The enemy had been killed by artillery.

2h1500H. Two (2) WC Chieu Hoied to First Platoon, Company "L" at coordinates AT942582. Hoi Chanhs were taken to ITT at Hill 37.

251115H. Third Squad, First Platoon, Company "L" sighted four (4) VC/NVA in treeline at coordinates AT948563. Activity took enemy under fire with small arms. While pursuing enemy, a Marine tripped a booby trapped M-26 grenade resulting in one (1) USMC WIA emergency medevac.

260700H. Third Squad, Third Platoon, Company "L" while returning from ambush had Marine trip a booby trapped ChiCom grenade at coordinates AT970600. Result was one (1) USMC WIA priority medevac.

291030H. First Platoon, Company "L" found bunker at coordinates AT95459H. Activity threw grenade in bunker these entered to check it out, finding one (1) VC/NVA KIA and miscellaneous gear.

301115H. The Second Platoon, Company "L" at coordinates AT957577 received small arms fire resulting in one (1) USMC WIA non-evac.

300045H. The Second Squad, First Platoon, Company "L" while checking perimeter of ambush site at coordinates AT947590 tripped a booby trapped M-26 grenade resulting in two (2) USMC WIA, one (1) emergency and one (1) routine medevac.

301610H. A Scout/Sniper with First Squad, Second Platoon, Company "L" sighted five (5) VC/NVA through scope at coordinates AT943576. Sniper shot the last man in column while the other four (4) VC fled into a nearby treeline, resulting in one (1) VC KIA.

#### **DECLASSIFIED**

310955H. A Marine from Third Squad, Third Flatoon, Company "K" tripped a booby trapped M-26 grenade at coordinates AT931591 resulting in one (1) USMC WIA emergency medevac.

311100H. A Marine from Second Squad, Third Platoon, Company "K" detonated a 105mm artillery round set as a booby trap at coordinates AT939601 resulting in one (1) USMC KIA and two (2) USMC WIA emergency medevacs.

311505H. A Marine from First Squad, Third Platoon, Company "L" tripped a M-26 grenade set as a booby trap at coordinates AT977594 resulting in one (1) USMC WIA priority medevac.
