NARRATIVE SUMMARY1. General Overview of all Activities

a. Medical Supply

(1) The battalion hospital continues to operate with companies A and C centrally located at Quang Tri Combat Base.

(2) Company D continues to be assigned in support of the Dong Ha Combat Base with an additional mission as the "Third Marine Division Memorial Children's Hospital". The operating beds available at D Medical Company are 15 beds for U.S. military personnel and an additional 30 beds for children.

(3) Elements of Headquarters and Service Company continues to be assigned medical support responsibilities for Task Force Hotel and are located at Vandegrift Combat Base. There are no operating beds at Vandegrift Combat Base.

(4) The Medical Battalion continues to operate 2 of its collecting and clearing companies (A&C) as a division hospital in support of the Third Marine Division and other attached units.

(5) Company B was mounted out with elements of the Ninth Regimental Landing Team which departed for Okinawa on 15 July 1969.

(6) During July, Third Medical Battalion had 208 operating beds. Three wards remained closed due to a shortage of corpsmen.

(7) D Company continued to have 15 operating beds for military patients to accomplish its primary mission of Medical Support for Dong Ha Combat Base,

and 70 operating beds for Vietnamese Children to accomplish its secondary mission as the temporary site of the Third Marine Division Memorial Children's Hospital.

(8) Although no designated beds are available at Vandegrift Combat Base, significant emergency medical care is provided to Task Force Hotel by elements of H&S Company (CHARLIE MED) which support this area.

(9) While B Company, 75th Support Battalion of the 1st Brigade, 5th Infantry Division (Mechanized) operates a 30 bed medical facility at Quang Tri Combat Base, all urgent/emergency U.S. Army casualties are normally evacuated directly to Third Medical Battalion.

(10) Moreover, outpatient consultation services are furnished to U.S. Army personnel in the areas of internal medicine, general surgery, orthopedic surgery, psychiatry, dermatology, and laboratory services.

2. Command Relations

a. Third Medical Battalion is under the operational control of Headquarters, Third Marine Division. Although primarily self supporting administratively, additional administrative support is provided by HQDS, Third Mar Div.

3. Mission

a. The primary mission of Third Medical Battalion is the triage, sorting, transportation, temporary hospitalization, and evacuation of casualties after first aid and emergency surgery measures have been performed.

4. Logistics

a. The volume of potable water with a sufficient chlorine residual being supplied to this command has continued to be a problem area this past month. Water pressure is controlled by gravity flow and in many instances the pressure has been inadequate to supply water to the entire cantonment to provide sufficient water to vital areas such as triage, operating rooms, and the hospital wards has required shutting off valves to approximately one half of the cantonment area.

b. A collecting and clearing company (-) (BRAVO COMPANY) consisting of 25 Marine enlisted, 1 Medical Officer, and 2 Hospital Corpsmen embarked on 15 July 1969 as an element of the 9th Marines. This unit embarked with the supplies and equipment for a Collecting and Clearing Company. The embarkation was accomplished without any major problem areas.

5. Civic Action

a. Six (6) Vietnamese patients were taken to the USS Repose by the Ortho-
