PART II

NARRATIVE SUMMARY

The 3d Dental Company furnishes dental support to Marine Corps personnel in the Hu-Phu Bai, Dong Ha, Khe Sanh, and Danang areas of RVN. There are eleven 3d Dental Company Clinics presently in operation. The construction on a new clinic in the 3d MarDiv CP area has begun. It is to include housing for the mount-out, supply, and repair sections. An additional hard-top clinic in the Dong Ha area is nearly completed and will be in operation in early July. It will include oral surgery and prosthetic facilities.

The 3d Dental Company has put into operation "Operation Circuit Rider" in which one dental officer and two dental technicians with the Combat Dental Support Trailer are helo-lifted into remote areas to render treatment. One technician is assigned to full-time preventive dentistry. It is intended that each remote unit will be visited quarterly, and that the duration of each visit will be varied as the dental requirements and work-load dictates.

The 3d Dental Company personnel assist Medical in Mass Casualty Care and are active in the Civic Action Program. The oral surgeons treat maxillo-facial wound cases.
