PART IINARRATIVE SUMMARY

1. During the month of October, Headquarters and Service Battalion continued its daily activities in support of the Regimental logistic mission.

a. LtCol J. B. HARRIS Sr. assumed command of Headquarters and Service Battalion on 8 October 1969 relieving Major DUPONT who was reassigned within the Regiment as a staff officer in charge of the S-2/3 shop.

b. The Baggage Facility received 8,917 pieces of personnel baggage for storage and released 7,628 pieces. A total of 75,713 pieces of personnel baggage remained in storage. There were 1,934 pieces of baggage shipped aboard the USS WASHBURN for troops returning to CONUS during Operation Keystone Cardinal.

c. Shipping and Receiving receipted for 6,013 measurement tons, and 143 short tons of incoming cargo. There was 8,273 measurement tons and 751 short tons of cargo shipped. On 2 October 1969, the Traffic Management Officer received a commitment from Commanding General, Marine Corps Base, Camp Butler to ship a large quantity of support equipment to erect a 1000 man tent camp at Camp Fuji, Japan to support FMF units scheduled to commence training with a reporting due date of 8 October 1969. The supply sources encountered some difficulty in identifying and staging some of the equipment, however, through the joint effort, supervision and coordination of the Traffic Management Officer with VMGR-152 at MCAF Futema, the required equipment was displaced in time to meet the deadline date.

d. Headquarters and Service Battalion Vehicles traveled 149,907 miles, hauling 13,016 short tons of cargo and transported 11,806 personnel.

e. Truck Company continued its support by providing an average of 163 vehicles on a daily basis. Increased requirements for vehicle support continued to rise during the month due to the returning elements of the 3d Marine Division to Okinawa.

2. The Battalion S-4 coordinated through the Regimental FLSS section the truck and forklift commitments in response to needed support by 9th MAB, for movement of men and equipment of the 3d Marine Division from White Beach to various Camps on Okinawa.

NARRATIVE SUMMARY

During the period 1-31 October 1969, significant personnel changes were experienced. The problems experienced by these changes should be alleviated during the month of November.

The S-4 section has coordinated the truck and forklift commitments that were in response to needed support by 9th MAB, through Regimental FLSS, to move men and equipment of the 3rd MARDIV.

Much cooperation and coordination was needed to ensure that all operations were completed successfully. Future requirements will be screened to ensure maximum use of men and equipment.
