ADMINISTRATIVE ASSISTANCE

Most of the Marines assigned to the Group S-1 office are relatively inexperienced in handling administrative duties of the Marine Corps. Every effort is being made to develop these Marines to an acceptable level of proficiency.

MORALE AND WELFARE

The morale of the unit continues to be excellent. There are recreational facilities available for all hands. Quotas for both in-country and out of country Rest and Recuperation (R&R) are effectively being utilized. Eighteen out of country quotas were allocated from III MAF and utilized by the Group.

MAIL

Mail is processed and expeditiously delivered as quickly as operational requirements permit. Daily average of mail processed was as follows:

<u>Letters</u>		<u>Packages</u>	
<u>Incoming</u>	<u>Outgoing</u>	<u>Incoming</u>	<u>Outgoing</u>
300	450	8	2

CONGRUITS/SPLINTS/WELREP

This command received no congressional interest and no special interests during the month. Five (5) welfare reports were processed which answered concerned parents regarding the lack of correspondence and the present state of health of their sons.

SPECIAL SERVICES

During the month the special services program continued with the acquisition of items for Marines and Corpsmen of the Command. The following items were dispensed throughout the command: Fifteen decks of playing cards, forty pairs of tiger shorts, two volleyball nets and a volleyball. Beer and soda continue as items of resupply for the field troops. A movie projector and a television set were acquired from CAF on temporary loan for use in the enlisted lounge.

HOSPITAL AND BRIG VISITS

Weekly hospital visits were made by an officer of the command, and daily visits were made by a medical department representative. No welfare or other problems were uncovered. The command has one man confined who was visited by an officer of this command.

MEDICAL

During the month of February 15,360 Vietnamese civilians were treated by MEDCAP. The number of Vietnamese treated was a slight decrease from the previous month but the results in the overall pacification program are considered excellent.

Continued emphasis was placed on the training of Vietnamese Popular Force corpsmen and Vietnamese Health Workers. Good results were generally obtained.

Patients seen at the improvised CAG Aid Station numbered 262. A breakdown and classification of 4th CAG personnel treated at various medical facilities is as follows:

a. Upper Respiration Infection.....	.05
b. Skin Disease.....	.12
c. Diarrhea.....	.10
d. Fever of Undetermined Origin.....	.01
e. Injuries: Hostile.....	.03
f. Injuries: Nonhostile.....	.08
g. Venereal Disease.....	.03
h. Other.....	.158

LOGISTICS

During the month of February, a continuing effort was devoted to improving the facilities, grounds and logistical support of the Fourth Combined Action Group. The construction of a nine man shower was completed and the construction of a "Pot Shack" for the messhall was started.

Sixteen starlight scopes that were authorized this organization were received during the month of February. During the month, three $\frac{1}{4}$ ton M151A1's and one $\frac{3}{4}$ ton M37B2 were rated Code H and turned into Force Logistics Command, Da Nang. Replacements for these vehicles were subsequently received, including one M35A2 which filled a T/E deficiency.

This command still continues to operate on a 60 KW Generator which is on a temporary loan from the U. S. Army. This organization remains in critical need of an additional PU 718 30 KW Generator which is to be force fed from the Force Logistic Command, Da Nang when it becomes available.

The Fiscal Section shows an authorization of \$263,200.00. During the month of February \$5,869.94 was obligated, bringing the total obligation of the first eight months of Fiscal Year 1970 to \$178,042.47 with an available balance of \$85,157.53.

The motor Transport Section logged 15,543 miles during the month of February. No accidents occurred during the same period.

CIVIC ACTION

During the month of February, civic action activities were limited primarily to MEDCAF efforts. A major effort was made during "TET" to distribute some 2,000 toys to children in the villages and hamlets where the CAIs operate. 4th Combined Action Group corpsmen treated 15,260 persons, and gave 7 dental treatments. Twenty-one adults and 4 children were evacuated to Quang Tri Provincial Hospital and 18th Surgical for more intensive treatment. Vietnamese health workers received 45 man-weeks of OJT while assisting CAF corpsmen on MEDCAFS. In addition, 50 sanitation classes with an attendance of 890 persons were held utilizing PsyOps material. No immunizations were given because of the fact that Quang Tri Province has an established immunization program. CAF 4-2-2 treated one male adult as a result of wounds inflicted by hostile action.

Commodity distribution during the month amounted to 1950 lbs of food, 45 lbs of soap, 609 school kits, 2,000 children's toys, 1 sewing kit, 36 language textbooks, and miscellaneous school supplies for hamlet teachers. CAF 4-2-1, CAI 4-2-3, CAI 4-2-5 and CAI 4-3-5 requested more vegetable seeds for distribution in their new AOs. These seeds were supplied by CORLS and passed out to elders and families along with PsyOps material. CAI 4-2-5 presented 60 packets of flower seeds to its hamlet, along with vegetable seeds. Over 25,000 leaflets and posters were utilized during commodity distribution and handed out concurrently. "TET" envelopes were also utilized by several Marines to pass out monetary gifts to the children during "TET".

4th CAG lumber and electrical supplies were utilized by 29th Civil Affairs and Advisory Team 19 to repair the dispensary lighting at Cam Lo, and to install plumbing and electrical fittings at Gio Linh. CAF 4-2-5 is currently repairing an ARVN dispensary in its AO for use by the CAF corpsmen. The MEDCAF dispensary in CAF 4-1-4 is now permanently staffed by a health worker from the Provincial Health Service. CAF 4-1-3 has begun a MEDCAF dispensary but lack of construction materials is forcing the CAI to use a school house at YD 267593 as a temporary dispensary. CAI 4-3-2 was active during the month and reported that it assisted the villagers in building bunkers (YD 371605), repairing a road (YD 365614), and cleaning out irrigation canals (YD 365658). CAI 4-3-3 assisted in the repair of a house destroyed by fire (YD 360577) and road repair (YD 356571, YD 379559). CAF 4-3-5 assisted in the repair of an irrigation ditch (YD 374566), a road (YD 367555) and a bridge (YD 378557). CAF 4-3-6 assisted in the repair of a house (YD 335635) and road repair (YD 355335).

Health and sanitation efforts revolve around current availability of pertinent PsyOps material and a mixture of hygiene and sanitation classes. MEDCAF activities continue to be a major effort, and are highly effective. CAI units in Hai Lang and Trieu Phong Districts combine hygiene/sanitation material with the English language classes taught.

It is estimated that the Vietnamese supply 85% of the labor and about 25% of the materials on current civic action projects. Approximately 1,130 man-days were provided by the Marines, FFs and corpsmen during the month on civic action programs.

PART III

SEQUENTIAL LISTING OF SIGNIFICANT EVENTS

The following is a summary of significant events taking place in 4th CAG during the month of February 1970. Part IV, Supporting Documents, contains a verbatim copy of all spot reports submitted during the month.

- 1 Feb 70. CAP 4-1-2 in night ambush site received two incoming fragmentation grenades from an unknown direction. The grenades exploded approximately 10 meters in front of ambush site, wounding 4 Marines. Two Marines were evacuated and 2 Marines, after treatment at 18th Surgical Hospital, were returned to duty. A search of the area around the ambush site under illumination was nonproductive.
- 5 Feb 70. CAP 4-1-4 night CP observed movement approximately 50 meters from their perimeter and simultaneously with sighting, received two plastic satchel charges. CAP CP returned fire with SAF and M-79. One VC with AK-47 was KIA in initial exchange of fire. Intermittent sniper fire continued for approximately 1 hour as VC, approximately 5 in number, circled the CP perimeter at approximately 150 meters distance before breaking contact. A search at first light produced a second VC with AK-47 KIA. There were no friendly casualties.
- 6 Feb 70. The Commanding Officer, Combined Action Force, visited 4th CAG Headquarters and all CAGO Headquarters. In addition, he visited CAPs 4-1-2, 4-1-3, 4-1-4, 4-1-5, 4-2-3, 4-2-5, 4-2-6, 4-3-1, 4-3-3 and 4-3-5.
- 7 Feb 70. An LCM operating in the Song Hieu Giang River near CAGO 4-1 Headquarters hit a mine and was partially destroyed. Two Army personnel were KIA, 5 WIA(E), and 1 MIA. Marines of CAGO 4-1 Headquarters provided security during rescue operations.
- 16 Feb 70. CAP 4-2-2 night CP observed 7 VC approximately 250 meters from their perimeter. SAF was initiated by CAP CP and VC fled to the north without returning fire. A search of the area under illumination was nonproductive. A search at first light produced one cloth jungle hat lying along a rice paddy dike near the area where the VC were sighted earlier. A Marine picked it up and was KIA from booby trapped M-26 grenade under the hat.
- 18 Feb 70. Maj Robert D. KING relieved LtCol John J. KEEMAN as the Commanding Officer of Fourth Combined Action Group at a Change of Command ceremony held at the 4th CAG Headquarters, Quang Tri Combat Base, RVN. Attending the ceremony was BGen W. A. BURKE, Commanding General, 1st Brigade 5th Infantry Division (Mech); Col T.E. METZGER, Commanding Officer, Combined Action Force and LtCol E.L. BIRK, Quang Tri Province Senior Advisor.

21 Feb 70. On 15 February 1970, non-CAF PF Platoon #22 was moved from elsewhere in Hai Lang District to guard a bridge at coordinates YD 474422, which controls entry into CAF 4-2-1 AO from Highway 1. During the week that it was at the bridge, this PF Platoon had harrassed villagers and CAF PF at the bridge. The primary target of the harrassment were the VN who helped or were friendly to the Marines in CAF 4-2-1. Several instances were reported of the bridge PF confiscating goods, such as cokes, intended for sale to the Marines by various villagers. The Marines of CAF 4-2-1 have an especially friendly relation with the CAF PF and with the local villagers. Around noon on 21 Feb 70, the bridge PF stopped a Coke vendor who was on the way to sell Cokes to the Marines. Noting this, the Marine CAP squad leader reported the matter to the Village Chief. The Village Chief went to the bridge, and although the bridge is not under his village jurisdiction, he told the PFs to let the vendor pass. The PFs complied. The CAP squad leader started to discuss this incident with the CACO Commander by radio when communications were lost due to atmospheric conditions. The CACO Commander then decided to take along the District S-3 and visit the CAP to check on the situation. While the CACO Commander was enroute, the CAF leader in a resupply vehicle drove across the bridge to an adjacent CAP to see if they had better communications with the CACO Headquarters. As the CAP squad leader passed over the bridge in his vehicle, he saw that the PF were gathered around the Coke vendor in an obviously threatening manner and were subjecting the vendor to verbal abuse. The CAP squad leader saw nothing else amiss and continued on to the adjacent CAP. The CAP squad leader, having established communications with the CACO Commander and having learned that he was coming to visit, directed his CAP Marines to move to a suitable rendezvous site near the CAP side of the bridge. At 211430H, as the CAP Marines approached the bridge, the PFs occupied their fighting positions and pulled barbed wire across the road. Seeing this, the Corporal in charge went about 30 meters ahead of his men to see what the PF were up to. As the Marines approached, all were at sling arms and in no kind of tactical formation. When the Corporal came to within 15 meters of the barbed wire, the PFs opened fire on the Marines with M-79 and rifle fire. The Corporal was immediately wounded. The other Marines took cover and several provided covering fire with rifles and M-79 as the wounded Marine withdrew to cover. It was evident that both sides used restraint in the firing, since at the short range involved great harm could have been inflicted if the volume of fire was heavy or aimed accurately. Hearing the shooting, the CACO Commander and District S-3 rushed to the scene and succeeded in stopping all shooting. Both sides in the firefight joined together in assisting in the medevac of the wounded Marine and one PF who was wounded in the chin with an M-79 fragment. The District Chief had the PF platoon on the bridge transferred to another part of the District, and the CAP secured the bridge for the night, to be replaced the next day by a platoon of RF. No property damage was incurred in the incident.

ENCLOSURE ()

The wounds produced by the incident were in both cases minor. The wounded Marine was medevaced to 18th Surgical Hospital. The wounded PF was treated as an outpatient at the same facility. Since the Marines did not provoke the PF, and since the Marines returned fire with obvious restraint and only for the purpose of covering the withdrawal of the wounded man from his exposed position, the CAP was not held to be at fault in this incident. It was determined that the PF opened fire on the Marines to drive them off, because the PF erroneously believed the Marines were coming to forcibly rescue the Coke vendor. Fortunately, the friendly relations between the CAP Marines, CAP PF, and villagers in the CAP 4-2-1 AO were not harmed by this incident.

Letter - (cont'd)

RAF started toward the bridge, to meet the GAO Commander there. As the Marines approached at 1400, the PFs opened fire on them with M1 and M-79s, wounding 1 Marine. The Marines took cover and returned fire with M1 and M-79s. The GAO Commander arrived at the bridge just as the incident began, and by means of radio, directed the Marines to immediately cease fire, which they did. The instant he succeeded in stopping the PF fire, the exchange of fire was very brief. Immediate indications are that a long history of petty frictions between the bridge PF and Marines came to a head earlier in the day in some sort of altercation between a Marine and PF at the bridge. The subsequent approach of the Marine patrol was apparently interpreted by the PF as a gang of Marines coming to settle a score. Accurate details of the circumstances leading up to the incident are expected to be available by early next afternoon and will be reported as soon as possible.
