Sit in Da Nang - fighting has ceased - Rebel forces have apparently given up. In Da Nang HOI AN gvn forces have control of city. There has been a number of CAS. Losses were 200. Exact figure not available. Airbase north of Da Nang is controlled by US Marines. Govt forces have pretty well come to a standstill as a result of the disturbance. Enemy activity very quiet.

Lt Col Khoo has also resigned as Province Chief effective upon naming a relief.

Reportedly resigned because the 2nd Bn 3rd Reg assigned to him to relieve problem in Hue joined the struggle movement and only augmented the problem. Lt Col Khoo reportedly is to set up a C.P. near Hue Queen. WC 10866160.

No Buddhist self immolation to this time. Plan now for extended hunger strike until 1400 Tomorrow, then self immolation. Consulate still due to be burned tonight.

Most U.S. advisors are now in MACV Compound.
