NARRATIVE SUMMARY

At about 1645 CAG-8A patrol observed approximately 20 VC in a tree line at YD 823198. The VC fired about 250 rounds of s/a at the patrol. The patrol returned some 500 rounds of 7.62mm and 16 M-79 rounds. An A. O. was requested to adjust artillery fire, none was available. A gunship was sent to the area but was unable to communicate with the patrol. When the gunship approached the VC fled. PF's pursued the VC with negative results. The VC fled toward an area YD 831197, which is out of the TAGR. The patrol received one friendly WIA.
