SECTION III
COMMAND CHRONOLOGY
1-31 JANUARY 1967

INTELLIGENCE

1. During the period 1-20 January 1967, the 4th Marines participated in Operation CHINOOK, which was conducted in Phong Dien District, Thua Thien Province, Republic of Vietnam. The Intelligence Summary for that period is included in the CHINOOK After Action Report.
2. During the period 21-31 January 1967, the 4th Marines were in garrison at Dong Ha Combat Base, Cam Lo District, Quang Tri Province, Republic of Vietnam. Throughout the period, the Headquarters was not operational, no mission was assigned, and no Intelligence Journal maintained.
3. During the period 21-31 January 1967, members of the S-2 Section, 4th Marines underwent rifle, personnel and equipment inspections to ensure preparedness for any upcoming operation.
4. During the period 21-31 January 1967, members of the S-2 Section, 4th Marines went through a number of Lessons Learned type discussions concerning Operation CHINOOK, the purpose of which was to create a more complete understanding of the functions of the section in the field. Also an intensive training program was conducted for new members of the section in the particular fields of the S-2 Section (i.e.; OOB, Admin, etc). The main purpose for this being to ensure a smooth change-over in NCOIC's in these particular fields because of the rotation of personnel of the S-2 Section.

OPERATIONS AND TRAINING

1. Operations. During this reporting period, the Fourth Marine Regimental Headquarters participated in Operation CHINOOK in PHONG DIEN District (YD 5331). Regimental Headquarters assumed OPCON of the 2d Bn, 26th Mar and 3d Bn, 26th Mar on 25 Dec after being chopped to 3d Mar Div from 3d Mar Div (Fwd).

1-20 January - Participated in Operation CHINOOK. A complete summary will be submitted in the After Action Report.

16 January - 4th Mar chopped 2d Bn, 26th Mar to 3d Mar Div.

20 January - At 0730H the Fourth Marines Headquarters chopped 3d Bn, 26th Marines back to 3d Mar Div for continuance of Operation CHINOOK. Fourth Marines chopped from 3d Mar Div to 3d Mar Div (Fwd) at 0730H and returned to DONG HA Combat Base.

21 January - A platoon consisting of the Regimental Headquarters Company Security Platoon and augmented with members of the Regimental Sniper Platoon was helilifted to the POL site at the mouth of the CUA VIET River (YD 343696). The platoon was employed on the perimeter defense in relief of a platoon of K/3/4 to allow that platoon to participate in a 3/4 operation north of GAM LO (YD 1459).

21-31 January - The Fourth Marines Headquarters commenced a non- operational status with all efforts being made to return to, and maintain, an operational status of C-1.

27 January - The Regimental Headquarters Reaction Platoon was alerted at 0050H for possible employment to an area west of KHE SAHN (YD 9855) adjacent to Hill 706 (XD 7050). The platoon was mounted at 0545H and reported to the reaction stand-by area. The reaction platoon was not employed and stood down at 1000H.

29 January - The Security Platoon of Regimental Headquarters Company returned from the mouth of the CUA VIET River to DONG HA at 1000H.

2. Training

A. Training during the period 1-20 January was restricted to OJT due to the operational commitments of Operation CHINOOK.

B. The Fourth Marines Headquarters formed a permanent reaction platoon consisting of a T/O rifle platoon, two LAW gunners, and two radio operators and corpsman. The platoon conducts drills and inspections daily and GMS lectures twice each week.

LOGISTICSSUPPLY.

1. In accordance with CG, 3d Mar Div message 311223Z Dec 66, Headquarters Company conducted an inventory of supplies located at DONG HA. In addition, the Supply Section conducted a reconciliation with customers and recomputed requisitioning objectives of on-line items inventoried. Based on the inventory and reconciliation the following action was taken.

- a. Outstanding requisitions in excess of requisitioning objective were cancelled.
- b. Requisitions on all deficiencies were submitted.
- c. Reported quantities of items on hand that were excess. Number of line items was 250, with a money value of \$3,664.62.
- d. Reported the number of line items (89) and money value (\$8,007.34) of outstanding requisitions cancelled as a result of requisitioning objective computations.

2. The entire requirements of CG, 3d Mar Div msg 311223Z could not be completed due to the deployment of elements of Headquarters Company to the field on Operation CHINOOK. However, the Headquarters Company Supply Officer is continuing the inventory and will complete the report as soon as possible.

RESUPPLY. Supplies continued to be provided by FLSU-1 (DONG HA) and FLSU-2 (PHU BAI) depending upon the location of 4th Marines. During Operation CHINOOK (see After Action Report submitted separately), supply point distribution from the LSA by motor vehicle remained the only source of resupply.

TRANSPORTATION. A motor convoy was formed on the 15th and 16th of January to transport 2nd Bn, 26th Marines from the Operation CHINOOK area (vic YD 535315) to PHU BAI. On 20 January 1967, HQ, 4th Marines returned from Operation CHINOOK to DONG HA via motor convoy.

TRAINING. During the reporting period leadership training for S-4 Section personnel was conducted concerning the following items: "Revolutionary Development, "The U. S. Fighting Man's Dilemma: Brutality in Vietnam," "Division Order 5390.1B - Command Leadership and Guidance," "Conduct of Military Personnel," "Individual Responsibility/Environmental Training" and

COMMUNICATION - ELECTRONICS

During Operation Chinook normal communications facilities were maintained to higher and subordinate Headquarters. The Regimental Tactical Net was operated covered full time and the station on Division Tactical Net maintained the capability to go covered with KY-8 equipment. There were no security violations reported and the Command Communication network received 981 messages and delivered 370 messages. Electronics maintenance support is still lacking. This Headquarters has 4 of 4 authorized RT-524's and 7 of 10 authorized Radio Relay Sets in the maintenance system awaiting parts. Radar Set, AN/TPS-21 support is lacking due to this shortage of spare parts and repairmen. This Headquarters is excess 9 Radio Relay Operators and 3 Radio Relay repairmen and has a significant shortage of one Telephone Teletype repairman, one KY-8 repairman and one KW-7 repairman.

Training in the operation and maintenance of the Gasoline Engine Generators, PU-422/TPS-21 and the PU 613 was conducted for the 2nd and 3d Battalions, 26 Marines. Training within the Communications Platoon consisted of MCS specialty, First Aid and Electrical Shock by the Regimental Corpsman, the Civic Action Program by the Regimental S-5, Preventative Dental Hygiene by a Dental Technician from Co. "D", 3d Med Battalion and an orientation and indoctrination lecture by the Headquarters Company Commander. The Platoon Commander held 3 rifle inspections, a 782 gear inspection and audited all SRB's.

A proposed material allowance list was submitted and complete purge of excess end items and component parts was conducted.

CIVIL AFFAIRS

1. Civil Affairsc. Significant Activities

- (1) A party was held in Cam Hong Village (YD115582), Cam Lo District on 3 January. Clothing and toys from a school in the United States were distributed to 42 school children. Having arrived late, the materials were used for a late Christmas party.
- (2) In the Phong Dien District a refugee problem arose due to operations being conducted in the area. Aid in the form of food, clothing, shelter and medical attention was given approximately 90 refugee families. Land was designated by the District Chief, with Provincial approval, for the purpose of building a village for the refugees at YD 530350. Plans to start the excavation were made. It will be a Marine project due to no men of working age among the refugees. The 29th AA Platoon (U.S.Army) assisted the 4th Marines in this project.
- (3) A road drainage and repair project in Dong Ho Village (YD240607) was initiated and completed. The village chief provided workers and the Marines provided the necessary fill. Included in this project were smaller personal projects. One well was repaired and four quarts of paint were given to villagers preparing for the Lunar New Year.
- (4) Clothing distribution to needy villagers was accomplished through contacting the Revolutionary Cadre Team in Cam Hieu Village (YD178590), Cam Lo District. Twenty-five pounds of clothing were given to the Revolutionary Development School teacher who distributed the items to her needy pupils. Another 25 pounds of clothing were given to the Hamlet Chief (Bich Giang Hamlet) and was distributed to needy families.
- (5) A lecture in Civil Affairs was conducted by the Regimental S-5 for personnel of Headquarters Company on 28 January. It dealt with the basic attitudes and treatment existing between the Marine personnel and the Vietnamese.
