1. Between 1230 & 1400, 1 USMC vehicle struck a Vietnamese male (about 25 yrs old, from Thung Phung Village) on a motor bike and killed him. An 18 yr old Vietnamese female on a bike was injured too, and evacuated to Hue by Vietnamese. This incident took place at co-ordinates 0841174. The USMC vehicle was traveling south on Route 1 at the time. The vehicle has been identified as belonging to B Motor Company. B Motors has assigned an officer to investigate the accident, and this officer was at the accident scene around 1500. Regional Civil Affairs is aware of the incident, and was at the scene around 1415. A crowd of Vietnamese civilians assembled at the accident site. The civilians were just angry or revenge seeking. They were curious. The body of the male had not been evacuated by the Vietnamese by about 1600. National Police were at the site, and were told by US personnel to have the body evacuated.

Respectfully Submitted,
VIC Blain
