Summary of Period's Action					
Company "A" arrived at FSB Neville at 1200 and relieved Company "D" in place. Company "D" left immediately on a company sweep to the west. Their ultimate objective is to conduct extensive patrolling in the Lang Ho Valley.					
Company "G" had light contact at 2115 as a clip was moving into position. No casualties on either side.					
Plans for 5 June					
Company "B" is to move to LZ Catapult and relieve Company "C" in place. Company "D" will continue their sweep toward the Lang Ho valley. Companies "A" and "G" will continue to defend FSB's Neville and Russell respectively and conduct operations in their areas. It is expected that Company "G" will be chopped back to their parent 2/4 when the battalion "A" Command Group arrives at FSB Russell. Boundary change back to old AO is also anticipated.
