Subj - Morning Report for 0001H 12 Dec to
2400H 12 Dec.

1. Comm. was good all day.
2. Most of the living qtrs. are now
overheaded
3. Found out that very few people have
the same time. The radio is my only
indicator and therefore we should go by
that time even if it hurts some pride
of Bulava watch owners.
