PART IINARRATIVE SUMMARY

1. During the month of December the Fifth Communication Battalion fulfilled its standing commitments to the III Marine Amphibious Force Headquarters, the First Marine Division, the Third Marine Division, and the 2nd Republic of Korea Marine Brigade. In addition the Battalion Reaction Platoon furnished a four man ambush daily in support of 1st Military Police Battalion. No significant events occurred during these ambushes.
2. A large increase in enlisted personnel in Headquarters Company has caused a need for billeting expansion. Both the permanent guard hut and supplementary guard hut has been converted into permanent living quarters.
A total revamping of administrative procedures in Headquarters Company has caused noticeable improvement during December, as noted during the FLC Inspection on the 19th of December 1968. Thirty-five embossed plates were checked against service records and no discrepancies were noted.
3. During the month of December, Construction Platoon completed the following. Installed two 300 pair cables and one 100 pair cable between 1st LAAM Battalion and 1st MAW. Installed one 100 pair and one 25 pair cable at FLC. Installed a 25 pair cable between AFVN and MYM ICS. Installed a 12 pair cable at Doc Lop Street. Replace telescopic poles with blackjacks at 5th Communication Battalion. Installed a hot line between 67th MED, 80th Support Group, and 15th Airport. Reinstalled telephone service to III MAF R&R Center. Installed lines and phones at Trang Qui CAP. Issued a 50 pair cable to 1st M.P. Battalion. Provided construction and repair assistance to MACS-4. Repaired all circuits that were reported out during the month of December 1968, and trouble shot the M-8 cable and a 50 pair cable on Monkey Mountain.
4. One-hundred and twenty-five Christmas packages were distributed to the families of Damon Hamlet on the 25th of December 1968.
5. Communication Support Company remains in cadre.
