COMMAND CHRONOLOGY 5TH MARINES

1. Organizational Data

a. Designation and Location. 5th Marine Regiment, Chu Lai, RVN

b. Period Covered. 1 July 1966 through 31 July 1966

c. Command and Staff Officers

(1) CO	Colonel C. F. WIDDECKE
(2) XO	Lieutenant Colonel W. C. AIRHEART
(3) S-1	Second Lieutenant R. G. PONTILLAS
(4) S-2	Major P. M. JOHNSTON
(5) S-3	Major G. HUBBARD
(6) S-4	Major R. J. O'LEARY
(7) Civil Affairs Officer	Captain G. R. FRANK
(8) ALO	Major N. F. SCHNIPPEL
(9) Comm O	Major C. R. BRINDELL
(10) Chaplain	Lieutenant Commander G. M. HINDERER
(11) Medical Officer	Lieutenant M. H. DAVIS
(12) C. O. Hq Co. 5th Marines	Captain G. K. YOUNG

2. Commanders Narrative Summary

a. Organization. During the month of July, the 5th Marines operated with two battalions, 1st Battalion, Fifth Marines and 2nd Battalion, Fifth Marines. 3rd Battalion, Fifth Marines now under operational control of 9th MAB is expected to rejoin the 5th Marines on 2 August 1966.

b. Summary of Significant Events. During July emphasis was placed on combined Popular Force/USMC actions, pacification and civil affairs and active patrolling, reconnaissance and surveillance of the Tactical Area of Responsibility. Fifth Marines staff participated in the planning of Operation WASHINGTON, however this multi battalion effort was cancelled. Presently plans are being completed on Operation COLORADO. This operation will utilize all organic battalions of the Fifth Marines plus ARVN forces and other supporting arms. Contingency Plans are currently being developed on two Special Forces camps KHAM DUC and TIEN PHUOC with reinforcing and/or reestablishing missions. On 5 July 1966

ENCLOSURE (1)

Lieutenant General V. H. KRULAK was briefed by Colonel C. F. WIDDECKE on Fifth Marines progress since arrival in RVN. On 17 July 1966 George JESSEL provided entertainment for members of the Fifth Marine Regiment. On 4 July 1966 General WESTMORELAND Commander U. S. Forces Republic of Vietnam addressed troops of the 5th Marines.

c. Personnel and Administration

(1) Personnel turnover during the month of July was high due primarily to the requirement for a rotation date spread within the Division.

(2) This command received 238 replacements and transferred approximately 154 for a net gain of 84. The average strength during the month of July was 2148 enlisted and 82 officers.

(3) The total casualty and death figures since arrival in country up to 18 July are: KIA 31, WIA 43, WIA 178, Non Battle Casualties 259 for a total of 511.

d. Intelligence

(1) During July the Regimental S-2 section carried on normal daily intelligence functions in addition to manning one AN-TPS 21 set at night as part of the Regimental Command Post defense.

(2) Intelligence plans were initiated on three operations. An Annex was prepared for the Regimental SOP (Operation Order 301-66).

(3) The S-2 section assisted in the planning of reconnaissance/observation posts covering the most important enemy avenues of approach/infiltration into the Regimental Area of Responsibility. Two such posts have been inserted into the Reconnaissance Area of Responsibility with a mission of surveillance of the battle area, destruction of enemy forces by artillery fire and air strikes, and capture of enemy forces if possible.

e. Training. During the month of July training was somewhat limited due to active and aggressive Battalion and small unit actions. However, the Regiment was active in the following critical training areas:

- (1) Weapons Familiarization
- (2) Civil Affairs
- (3) POW Indoctrination
- (4) Why Vietnam?
- (5) Malaria Prevention
- (6) Scouting and Patrolling

- (7) Popular Forces/USMC Combined Action
- (8) Religions and Customs of Vietnam
- (9) VC Tactics
- (10) Schools attended by 5th Marines personnel during July:
 - (a) Field Wire Course
 - (b) Vietnamese Language School
 - (c) NCO School
 - (d) M-16 Weapons Repair Course
 - (e) Forward Observer School
- f. Special Operations. None
- g. Nuclear, Biological and Chemical or other Special Types of Warfare.
None

- h. Command and Control. Normal command and control during reporting period.
- i. Close Combat. None
- j. Fire Support

(1) Artillery Missions Fired in Support of 5th Marines

k. Logistics. Construction of camp facilities continued during the period of this report. Completed construction included a 16 by 64 foot galley, a 16 by 32 foot shower facility, an officer and staff non-commissioned officer mess, and various strong backed general purpose tents for billeting and administrative use. An Administrative Order was completed for Operation WASHINGTON. There were no supply or logistic problems during this reporting period.

l. Air Defense. None

m. Combat Air Support

(1) Assigned air support was prevalent during all helicopter troop movements.

(2) Tactical Air Requests within this organization during July totaled 3.

n. Civil Affairs, Military Government and Community Relations

(1) During the month of July the pacification program has been assisted by the establishment of combat patrol bases in the hamlets of Duc Bo (BT 375155), Xuan Ngoc (BT 399113), and Than My Trung (BT 445027). These have resulted in lessened Viet Cong influence in the area, an increasing number of Chieu Hoi ralliers, and increased security for local Government Officials. The Battalions of the 5th Marines continue in the clearing and securing phases of the pacification program. In the month of July, 5th Marines units provided over 6,000 medical treatments to the local populace. Assistance has also been provided in relocating families to secure areas and providing clothing and shelter.

(2) On 5 July 1966 the Ly Tin District High School was dedicated. This school has been sponsored by MAG-12. In attendance were LtGen KRULAK, MajGen FIELDS, MajGen ROBERTSHAW, the Ly Tin District Chief, and numerous other Vietnamese Government Officials.

(3) On 7 July 1966 the 2nd Battalion, 5th Marines Combined Action Squad and Popular Forces Platoon, located in Khuong Binh Hamlet, Ky Khuong Village, was visited by Congressmen CORNAN, CONWAY, CARTER and WHITENER. During a brief visit, Popular Forces participated in a platoon formation and commenced a period of instruction on tactics. Navy Corpsmen conducted medical instructions for PF Corpsmen.

(4) On 9 July 1966 a Civic Action Seminar was held at 5th Marines Headquarters. Civil Affairs Officers of all 5th Marines units and officers concerned with the Civic Action Program were in attendance.

c. Medical and Dental

(1) During the month of July up to the present date, the following number of patient visits have been made to 5th Marines Regimental Aid Station.

(a) Hq Co	227	53.8%
(b) 2/5	76	18.8%
(c) Others	100	27.4%
	TOTAL 403	100%

(2) In addition to the above, 150 men of Hq Co., and 21 men from other units have received immunizations from 5th Marines Regimental Aid Station

(3) On 11 July 1966, one of the corpsmen from 5th Marine Regimental Aid Station was wounded by a fragmentation grenade. He was hospitalized at 1st Medical Battalion for 10 days, then returned to duty.

p. Chaplain Services

(1) Number of Services:

(a) Protestant

Sunday Worship	4	142 attended
Bible Study	3	12 attended

(b) Catholic

Sunday Mass	4	290 attended
-------------	---	--------------

(2) Catholic coverage for the Regimental Headquarters was made by Lt. Edward KANE, Catholic Chaplain of 2/5 except when he was absent due to sickness then by LCDR Mike ONDO and Capt John WISSING.

(3) Significant Events: The 5th Marines Chapel was started on the 12th of July and completed on 29 July. The chapel, size 24' x 45' with office attached is of Vietnamese/bamboo/thatch construction. Contractor for the chapel was Le Van Binh of Quang Ngai, at a cost of 450 dollars from Naval Support Activity contonement program funds. Much of the work of construction the deck and furnishings was done by the enlisted men of Headquarters Company, 5th Marines.

(4) The chapel was dedicated at 1530 on Sunday 31 July with the assistance of MajGen Lewis J. FIELDS, CG, 1st Marine Division and the Division Chaplain, Capt. John WISSING, USN.

q. Inspections

(1) Communications. A CG, 1st Mar Div inspection was conducted by the Division CEO and representatives of FLSG-B on 18 and 19 July 1966.

(a) All available equipment received a LTI and an inspection of communication procedures was conducted.

(b) On 22 and 24 July, 1st and 2nd Battalions received a similar inspection.

(c) The inspections were very beneficial; the grade assigned was satisfactory with minor discrepancies.

(2) Supply. An FSAO inspection of excesses was conducted within Hq Co on 23-24 July. Results were 25% excesses, considerably lower than other units in the CHU LAI Area.

3. Chronology of Events

<u>DTG</u>	<u>EVENT</u>
010550H	- Company E 2/5 on fire team ambush at BT 432042 observed 3 VC at BT 431041 dressed in army type uniforms, helmets and weapons, VC ran into brush. Fired 2 M-79 rounds and 30 rounds small arms fire. 1 VC WIA. All 3 VC escaped carrying wounded VC into Ky Long (2) BT 440045. Area searched WIA confirmed by observation and blood stains. 1/
012355H	- 3d Platoon Company E 2/5 pursuing VC heading towards Ky Long (1), made brief contact at 012245H. VC estimated to company strength. 81MM mortar mission of 256 rounds fired along with artillery TOT mission. Platoon which was withdrawn for TOT tried to reestablish contact firing 1000 rounds small arms fire. Platoon counted 9 VC bodies KIA, 11VC KIA (Prob) and 7 VC WIA (Prob). 2/
021400H	- Company A 1/5 on sweep from Xuan Ngoc to Route 1 picked up 43 VCS which were taken to 1/5 CP for interrogation, screening and forward to ITT. 3/
041300H	- General WESTMORELAND Commander U. S. Forces Republic of Vietnam visited 5th Marines CP and talked to troops present for 15 minutes.
042300H	- A squad from 3d Platoon Company E 2/5 enroute to ambush site observed 10 VC setting up an ambush with 1 machine gun and rifles. Squad maneuvered unobserved to within 50 meters of enemy and fired 150 machine gun, 200 small arms fire and 10 M-79 rounds. VC returned fire and fled. Squad ambush was reinforced by another squad to help search area. Squads received 50 rounds machine gun fire while searching area whereby squads returned 10 M-79, 150 machine gun and 200 small arms fire, area not searched due to darkness and heavy brush. At first light area was checked and blood stains were found. Conclusion 3 VC KIA (Prob) and 3 VC WIA (Prob) and 1 machine gun destroyed. 4/
060815H	- A platoon S&D from Company H 2/5 at BT 407102 observed 2 VC in ambush site. Platoon opened fire killing 2 VC and capturing 1 M-1 rifle, 1 French Sub-machine gun, 2 flares, 2 frag grenades and 5 clips M-1 ammo. 5/

Footnotes:

- 1/ Journal entry 5 of 1 July 1966
- 2/ Journal entry 2 of 2 July 1966
- 3/ Journal entry 22 of 2 July 1966
- 4/ Journal entry 3 of 5 July 1966
- 5/ Journal entry 4 of 6 July 1966

060430H - Company C 1/5 on S&D at BT 373145 observed 3 VC which fired 3 rounds small arms fire at patrol. Patrol returned fire with 14 rounds small arms fire killing 1 VC, other 2 VC grabbed weapon and fled, area searched resulting in 1 VC KIA. 1/

061340H - Company B 1/5 on S&D tripped one booby trapped fragmentation grenade resulting in Company Commander and two lieutenants WIA. Two WIA's evacuated to 1st Med Bn. 2/

071430H - Company B 1/5 on S&D apprehended 3 VCC who were identified by hamlet chief as being VC Intelligence Personnel. All VCC sent to ITT. 3/

080015H - A squad ambush from Company C 1/5 spotted 5 VC in water moving south down river. Patrol opened fire at 10 meters with VC returning 1 round small arms fire, after brief engagement patrol searched area and found 4 VC KIA and 1 VC WIA which later died of wounds. Patrol searched area for weapons but could not locate. 4/

080100H - A squad ambush from Company D 1/5 challenged 3 boats on river and received 10 rounds small arms fire from boats. Ambush fired 200 rounds small arms fire, 5 M-79 and 3 3.5 WP. Observed 1 boat sunk and 2 boats escaped, seen 4 bodies sinking in river. Attempted to retrieve but unable due to depth. 4 VC KIA Confirmed. 5/

120445H - A fire team ambush from H&S Company 2/5 was ambushed at BT 478055. Fire team returned small arms and M-79 fire. VC ambush then broke contact. Area of ambush searched half hour later disclosed evidence of 3 bodies having been drug away. Estimate 3 VC WIA (Prob). 6/

120945H - A squad recon from Company A 1/5 received report from PF patrol of having observed 30 VC with weapons digging in at BT 298091. An artillery mission was called which fired 28 rounds HE VT on target. PF's observed fire mission which had excellent coverage and estimate 10 VC KIA (Prob) and 7 VC WIA (Prob). 7/

152100H - An ARVN patrol observed 1 VC Company and relayed enemy location to squad recon from Company A 1/5. An artillery mission was called firing 36 rounds 155MM with excellent coverage. ARVN's adjusted fire and searched area at first light observing 10 bodies being carried off by VC. Results of artillery fire are 10 VC KIA and 20 VC WIA. 1/

161530H - A squad OP from Company A 1/5 observed 4 VCS on trail carrying unidentified material. Group halted and for two hours observed patrols position. Artillery mission called on position. Area searched afterwards and found 2 VC KIA and 1 VC (Female) WIA. Material which they had been carrying could not be located nor other member of group. VC WIA Med Evac'd to 1st Med Bn. 2/

170025H - 1st Platoon Company H 2/5 received four 10-15 small arms bursts and 20-25 grenades from 4 VC in camouflage clothing. Platoon returned fire with 40 rounds small arms and 15 frag grenades. VC then broke contact. Area was searched and revealed blood trails. Results of encounter are 3 USMC WIA's; 1 VC KIA (Prob) and 2 VC WIA (Prob). 3/

292210H - Squad ambush from Company H 2/5 engaged 4 VC with 20 rounds small arms. VC returned 5 rounds carbine fire and one grenade. Area was searched and one VC KIA with carbine was found. 1 USMC was WIA from fragments of grenade. Med Evac not required. 4/

DECLASSIFIED

INSTRUCTIONS FOR KEEPING JOURNAL**1. Heading:**

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:**a. Time In:**

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.
- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.**d. DTG:** Enter date/time group of radio message.**e. Incidents, Messages, Orders:**

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

- Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:**a. Unit or Section:**

- (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
- (2) Enter designation of section if this is a section journal maintained by a general staff section.

b. Place: Enter coordinates or name of locality.

- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:**a. Time In:**

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.**d. DTG:** Enter date/time group of radio message.**e. Incidents, Messages, Orders:**

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken:** This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary:** A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing:** Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL**1. Heading:***a. Unit or Section:*

- (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
- (2) Enter designation of section if this is a section journal maintained by a general staff section.

b. Place: Enter coordinates or name of locality.

- c. From: Enter date, time, and time zone that journal is opened.*
- d. To: Enter date, time, and time zone that journal is closed.*

2. Body:*a. Time In:*

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

*c. Serial No.: Number each entry consecutively as information is received by keeper of journal.**d. DTG: Enter date/time group of radio message.**e. Incidents, Messages, Orders:*

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.*

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."*

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.*

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL**1. Headings:**

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:**a. Time In:**

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

- c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

- d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

- Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL

1. To make entries:
 - a. Headings:
 - (1) Enter the unit or staff section designation.
 - (2) Enter official designation of the organization.
 - (3) Enter the DTG that journal is opened.
 - (4) Enter the DTG that journal is closed.
 - b. Time in: Enter the time information was received within your unit, or the time an event took place within your unit.
 - c. Time out: Enter the time outgoing information was delivered.
 - d. Serial number: Number each item consecutively.
 - e. Date Time Group: Enter if available, if not, enter time signed.
 - f. Incidents, messages, orders, etc:
 - (1) First line, enter the addressee if outgoing and the originator if incoming.
 - (2) Entries are recorded in order of occurrence.
 - (3) For written messages or orders, write a brief synopsis which will indicate the substance of the message or order.
 - (4) Oral messages should be recorded in detail or reduced to writing and handled like written messages.
 - (5) Incorrect entries should not be altered but marked "VOID" and corrected with a new entry.
 - g. Action taken: Enter a brief description of the action taken on each message, incident or order received. In the case of outgoing messages, indicate information addressees.
2. Keep a journal file: number all items(messages, transcriptions, etc) consecutively; enter them in the journal; and then file them in numerical order.

INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:

a. Time In:

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

- Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

- (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
- (2) Enter designation of section if this is a section journal maintained by a general staff section.

b. Place: Enter coordinates or name of locality.**c. From: Enter date, time, and time zone that journal is opened.****d. To: Enter date, time, and time zone that journal is closed.****2. Body:****a. Time In:**

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.**d. DTG: Enter date/time group of radio message.****e. Incidents, Messages, Orders:**

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken:** This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary:** A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing:** Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:**a. Time In:**

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

- c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

- d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

- Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:

a. Time In:

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

- Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

INSTRUCTIONS FOR KEEPING JOURNAL

1. To make entries:
 - a. Headings:
 - (1) Enter the unit or staff section designation.
 - (2) Enter official designation of the organization.
 - (3) Enter the DTG that journal is opened.
 - (4) Enter the DTG that journal is closed.
 - b. Time in: Enter the time information was received within your unit, or the time an event took place within your unit.
 - c. Time out: Enter the time outgoing information was delivered.
 - d. Serial number: Number each item consecutively.
 - e. Date Time Group: Enter if available, if not, enter time signed.
 - f. Incidents, messages, orders, etc:
 - (1) First line, enter the addressee if outgoing and the originator if incoming.
 - (2) Entries are recorded in order of occurrence.
 - (3) For written messages or orders, write a brief synopsis which will indicate the substance of the message or order.
 - (4) Oral messages should be recorded in detail or reduced to writing and handled like written messages.
 - (5) Incorrect entries should not be altered but marked "VOID" and corrected with a new entry.
 - g. Action taken: Enter a brief description of the action taken on each message, incident or order received. In the case of outgoing messages, indicate information addressees.
2. Keep a journal file: number all items(messages, transcriptions, etc) consecutively; enter them in the journal; and then file them in numerical order.

INSTRUCTIONS FOR KEEPING JOURNAL

- a. Unit or Section:
 - (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
 - (2) Enter designation of section if this is a section journal maintained by a general staff section.
- b. Place: Enter coordinates or name of locality.
- c. From: Enter date, time, and time zone that journal is opened.
- d. To: Enter date, time, and time zone that journal is closed.

2. Body:

a. Time In:

- (1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

- (2) Section Journal. Enter time information is received within section.

b. Time Out:

- (1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

- (2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

- (1) Important incidents, messages and orders are recorded as they are made known.

- (2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

- (3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

- (4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

- (5) Oral messages are reduced to writing and processed like written messages.

- f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

- a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

- b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

UNITED STATES MARINE CORPS
HEADQUARTERS FIFTH MARINES
- Hill 35 -

Chu Lai, Viet Nam

SERVICE OF DEDICATION

SUNDAY, 31 JULY 1966

1515 - BAND CONCERT

First Marine Division Band

1530 - CHURCH CALL

Bugler

CALL TO WORSHIP:

Chaplain G. M. HINDERER
Regimental Chaplain

Chaplain: How amiable are thy tabernacles, O Lord of hosts!

CONGREGATION: My soul longeth, yea, even fainteth for the courts of the Lord:

Chaplain: My heart and my flesh crieth out for the living God.

CONGREGATION: Blessed are they that dwell in thy house: They will be still praising thee.

Chaplain: Blessed is the man whose strength is in thee; in whose heart are the ways of them.

THE INVOCATION:

Chaplain Edward KANE
1/5 Chaplain

INTRODUCTION OF THE COMMANDING GENERAL:

Colonel C. F. WIDDECKE
Regimental Commander

DEDICATION REMARKS:

Major General Lewis J. FIELDS
Commanding General, First Marine Division

LITANY OF DEDICATION:

Chaplain Harry HOLLAND
Assistant Division Chaplain

Chaplain: In the Name of Almighty God, we dedicate this Chapel to Divine Worship.

CONGREGATION: God is a Spirit, and they that worship Him must worship Him in spirit and in truth.

Chaplain: For the worship of God in prayer and praise; For the preaching of the everlasting gospel; For the celebration of the Holy Sacraments:

CONGREGATION: We dedicate this House.

Chaplain: We dedicate this Chapel to the cure of souls, that doubt may be dispelled, and to the persuasion of those that have not yet believed; to the comfort of the discouraged, the relief of the distressed, the conservation of the strong and the guidance of the bewildered.

CONGREGATION: All souls are mine, saith the Lord. Inasmuch as you did it unto one of the least of these, my brethren, ye did it unto Me.

Chaplain: We dedicate this Chapel in loving memory of all those who have gone before us, and of all whose hearts and hands have contributed to its construction; with deep gratitude for loyal comrades who have made with us this spiritual adventure; and with hope for those who will pass this way in days to come.

CONGREGATION: We dedicate this house to the glory of God our Father, by whose favor it has been built. Except the Lord build this house, they labor in vain that build it.

UNISON: We the clergy and people of this Chapel, do here and now dedicate ourselves anew to the worship of God in this Sanctuary and to the establishment of His Kingdom among men everywhere.

PRAYER OF DEDICATION:

Chaplain John WISSING
Division Chaplain

RECOGNITIONS:

Chaplain G. M. HINDERER

CONGREGATIONAL HYMN: "Eternal Father" Accompanied by Division Band

"Eternal Father, grant we pray, To all Marines both night and day,
The courage, honor, strength and skill; Their land to serve, Thy
Law fulfill,
Be Thou their Shield forever more, From ever'y peril to the Corps.
AMEN."

BENEDICTION:

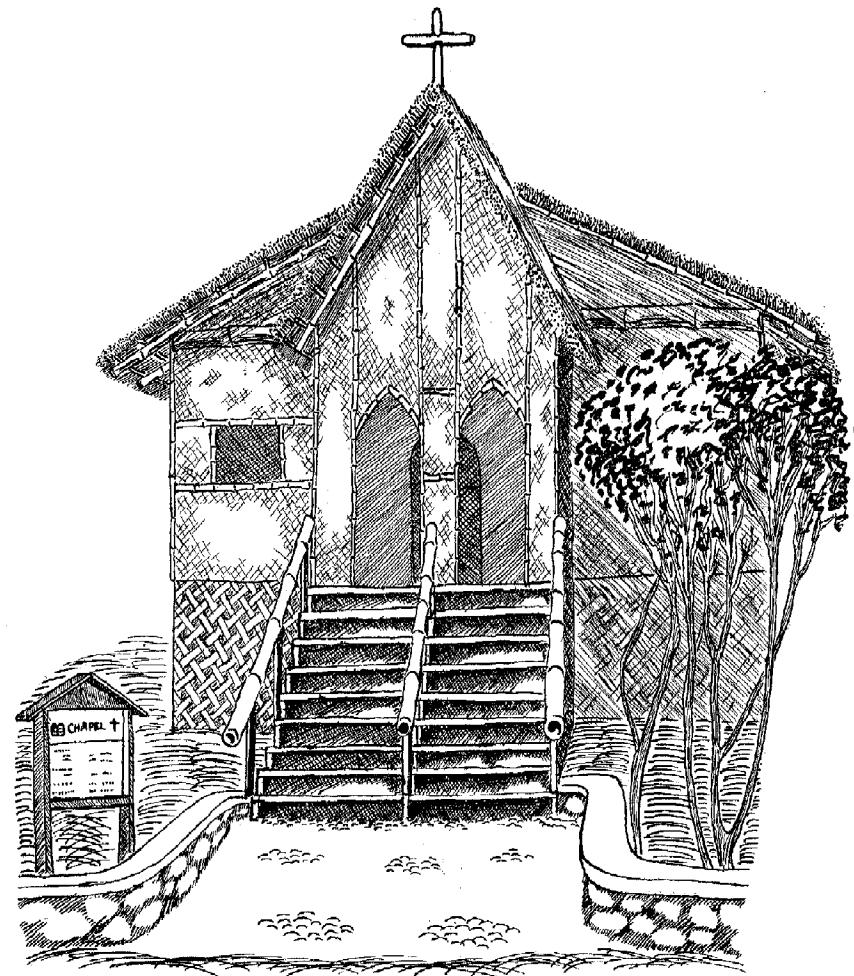

Chaplain Robert PACIOCCO
1/5 Chaplain

POSTLUDE MUSIC: "Onward Christian Soldiers"

Division Band

THIS IS YOUR CHAPEL TO BE USED TO THE GLORY OF GOD IN THE
STRENGTHENING OF SOULS. IT WILL BE OPEN NIGHT
AND DAY FOR PRAYER AND MEDITATION.

THE OFFICE OF THE CHAPLAIN
IS IN THE REAR OF
THE CHAPEL.
