4. OPERATIONS. Fifth Marines operations during the month of February consisted of small unit saturation patrolling in the operation "IMPERIAL LAKE" AO, located in the Que Son Mountains. Emphasis was placed on thorough, systematic searching of the rugged terrain features which characterize the Que Son Mountains. The success of these tactics is reflected in the large number of enemy killed and material captured.

Operation "HOANG DIEU 103" continued to be active, reflecting the predicted increase of enemy activity during the high threat period. The Regimental Quick Reaction Force, provided by units of 2/5, proved very successful during the month, accounting for 31 VC/NVA KIA, 19 detained and the capture of 4 IWC's, one CSWC, 300 lbs of potatoes and 9000 lbs of rice. The success of the Quick Reaction Force concept is due in large part to the outstanding support provided by Marine helicopters.

5. FIRE SUPPORT. (See Enclosure (5))

6. AIR SUPPORT. During the month of February, the 5th Marine Regiment was supported by 120 medevacs missions evacuating 117 Marines and 89 allied personnel from the field. Resupply was accomplished with a package of two (2) CH-46s and two (2) helicopter gunships utilized everyday with an occasional CH-53. Normally two (2) CH-46s were utilized
