PART II
NARRATIVE SUMMARY

Improvements are continually being made on the bunkers for Sector 3 lines to strengthen the positions and provide more protection against inclement weather. Engineers obtained culvert sections to use on building the Sector 3 bunkers. Also Engineers graded the out door theater area at the Enlisted Club.

All trash pits have been enclosed to keep trash from blowing around the area. Painting and repairing of buildings was one of the main items of maintenance after the recent heavy winds and rain.
