light, all Vietnamese Nationalists were told to come out of their homes, and from there were formed into a group and awaited further instructions. At this time, sweep teams entered the homes and held a thorough search of the homes. As the homes were searched, the people were questioned and checked for proper ID. A total of 12 people, 7 men and 5 women, were picked up and forwarded to ITT. Of the 12 people, 2 women were suspected as VC trained nurses, and 3 women taken for improper or no identification. One man had a large amount of money and medical supplies in his possession. Four men were deserters/or draft dodgers. Two men were picked up for no identification. All these people were forwarded to ITT, with the two nurses and one doctor marked for Counter-intelligence and the others recommended to be forwarded to the District Chief.

8. Logistics

a. Correspondence originated by the Battalion S-4, of special interest was:

(1) On 7 June 1966 an urgent speedletter was sent to CG, FMEPAC requesting expeditious supplying of repair parts for 315 air compressors and pneumatic drift drills. This request was generated by the continual requirement for this Battalion to maintain in operation two quarries.

(2) Administrative Plan 1-66 was published 161430H Jun66.

(3) On 20 June 1966 authority to requisition replacements for four M-172 trailers without evacuation to higher echelon was requested from CMC.

(4) On 22 June 1966 a report of repair parts required to upgrade equipment readiness was submitted to CG, III MAF.

(5) On 25 June 1966 a listing of 2nd and 3rd echelon nondepot repairable items that this Battalion would like to hold in maintenance float was submitted to CG, 3d MarDiv.

(6) On 30 June 1966 a letter requesting acquisition of land for new campsite of Company "A" was submitted to CG, 3rd MarDiv.
