## PART II

NARRATIVE SUMMARY

During the month of March, the company continued to support U.S. and Korean Marine Corps units in the Danang TAOR with POL products. During this period the company issued 823,431 gallons of diesel fuel, 328,226 gallons of mogas, and 1759 drums of POL products. In addition to providing normal POL support, this company provided wash down facilities for units retrograding equipment out of Viet Nam. On 28 February 1970, CMC directed that the Supply Battalion, Bulk Fuel Company be activated and the 7th Separate Bulk Fuel Company be placed in a cadre status. CMC further directed that the company drop four fuel systems from its account, invoice four incomplete fuel systems to 3rdFSR, and retain eight complete fuel systems. The company is now operating with one TE, M-3333 vice the two TE's it was previously carrying, P-3333 and M-3333. On 17 March 1970 the supply account was deactivated and remaining funds were transferred to Supply Battalion. On 31 March 1970, 7th Separate Bulk Fuel Company was placed in a cadre status and all personnel were transferred to Bulk Fuel Company, Supply Battalion.
