	<u>OFF</u>	<u>ENL</u>
Joined	12	356
Dropped	<u>15</u>	<u>395</u>
Total	-3	-39

b. Casualties caused by hostile action during the month totaled 213. Additionally, there were 87 cases of miscellaneous non-battle casualties.

c. The average rifle company strength remained approximately the same. The present effective average rifle strength is 5 officers and 179 enlisted.

d. Administration. Administration for the month included processing 23 meritorious combat promotions, 201 personal awards, (an increase of 30 from the previous month) and 19 six month overseas extensions. The reenlistment rate for May was 84%. Saving Bonds percentage was 79%. There were no Special Courts-Martial for the month of May.

2. ENEMY, WEATHER AND TERRAINa. Significant Reports

(1) During May 1969 the 7th Marines S-2 section received a total of 121 intelligence reports from all sources. These were processed and disseminated to all units concerned. Of the 121 reports received, 29 involved reported movement of enemy rocket units, location of intended rocket firing sites or rocket caches within the "Rocket Belt" area of the 7th Marines AO. Although there was considerable information regarding rocket activity, it is significant to note that there were no confirmed reports of rockets being fired within the 7th Marines AO during May.

b. Significant Enemy Activity

(1) There was a total of 142 enemy initiated incidents during the reporting period which included 67 mine/SFD incidents (30 unintentional detonations, 33 found and destroyed and 4 mines/SFD being turned in by Vietnamese Civilians); 20 attacks by fire on Marine installations (mortar fire primarily); 54 incidents involving S/A fire harassment, grenade throwings or S/A sniper fire and 1 act of terrorism. These 142 enemy initiated incidents demonstrate a significant decline from the 198 such incidents during the preceding month. Additionally, there were 54 sightings of enemy units moving in small groups throughout the AO.

f. TAB J to Section III is the After Action Report for Operation OKLAHOMA HILLS and provides detailed analysis of enemy activity as well as other intelligence related subjects for both this and the previous reporting periods.

3. ORGANIZATION AND OPERATIONS

a. Operations. The 7th Marine Regiment continued Operation OKLAHOMA HILLS during the period 1 May to 29 May 1969. All units under operational control of the regiment were involved in the operation during this period with the exception of the 1st Battalion, 26th Marines. All operational aspects of Operation OKLAHOMA HILLS are covered in detail of TAB J to Section III.

On 26 May the 7th Marines commenced Phase I of Operation PIPESTONE CANYON, a multibattalion operation conducted primarily to the southeast of Camp MUIR (Hill 55) in the DODGE CITY and GO NOI Island areas. Phase I

UNCLASSIFIED

SECRET

was a preliminary to the operation and involved the employment of the 1st Battalion, 26th Marines in a deception role to the west of the target area in order to deceive the enemy as to the location of the main effort. Phase I of Operation PIPESTONE CANYON terminated on 31 May 1969 as the 7th Marines chopped 1st Battalion, 26th Marines to the 1st Marine Regiment for Phase II and III of the operation. 7th Marines participation in Operation PIPESTONE CANYON terminated with Phase I. Phase I failed to produce significant results as the enemy chose to avoid contact with 1st Battalion, 26th Marines during the battalion sweep west to east through the area south of Camp MUIR.

b. Fire Support

(1) Artillery

(a) The 3rd Battalion, Eleventh Marines was in direct support of the 7th Marines during the conduct of Operation OKLAHOMA HILLS until 291800H May 1969. The following units were assigned the mission of General Support Reinforcing during the period indicated.

"K" Battery, 4th Battalion, 11th Marines	1-31 May (GSR)
2nd Platoon, 3rd 8" Howitzer Battery (SP)	1-31 May (GSR)
Detachment "A" 1st 175mm Gun Battery (SP)	1-29 May (GSR)

(b) "H" Battery 3rd Battalion, 11th Marines was assigned to the 1st Battalion, 13th Marines during the period 1-29 May 1969 at which time they were reassigned to the 3rd Battalion, 11th Marines.

(c) "G" and "W" Battery, 1st Battalion, 13th Marines were in direct support of the 3rd Battalion, 26th Marines during the period 1-31 May 1969 in support of Operation OKLAHOMA HILLS at which time they were assigned to the 1st Marine Division.

(d) "W" Battery, 1st Battalion, 11th Marines and "A" Battery, 1st Battalion, 13th Marines were in direct support of the 1st Battalion, 26th Marines and assigned to the 3rd Battalion, 11th Marines for Operation PIPESTONE CANYON during the period 260800H to 310600H May 1969 at which time they were assigned to the 1st Marine Regiment.

(e) Operation OKLAHOMA HILLS terminated at 291800H May 1969 at which time detachment "A", 1st 175 Gun Battery (SP) terminated the assignment of general support reinforcing.

(f) During May 1969 a total of 21,090 Artillery rounds were fired on 1881 targets in support of the 7th Marine Regiment.

(2) Naval Gunfire

(a) During May 1969 the following ship supported the 7th Marines.

USS OKLAHOMA CITY

29 May 1969

UNCLASSIFIED

UNCLASSIFIED

(v) A total of 96 rounds of Naval Gunfire were fired on 8 targets in support of the 7th Marine Regiment.

(3) Air Support. Fixed wing and helicopter missions flown in support of the 7th Marine Regiment during May were **exclusively** in direct support of Operation OKLAHOMA HILLS. There were 74 close air support missions scheduled and 67 flown, 118 helicopter missions scheduled and 117 flown. Only one helicopter mission was cancelled due to helicopter availability. Helicopter support moved 1,637,808 pounds of cargo, 12,907 passengers, and 259 med-evacs. The average emergency med-evac time decreased from the norm of 42 minutes to 33 minutes with 55 emergency med-evacs being effected. There were 31 command and control missions, 7 flareship missions, 158 medevac missions, 38 logistic missions and 37 troop transportation missions flown during the month. There were a number of significant air supported events in direct support of Operation OKLAHOMA HILLS. Fire support bases BULLWHIP, STAGE-COACH, and LONGHORN were developed utilizing helicopters exclusively to bring in men and equipment for their construction. During the month there were several large troop lifts. The 3rd Battalion, 26th Marines along with its attached artillery was extracted from FSB RATTLESNAKE and 3rd Battalion 7th Marines with its attached artillery battery was inserted in their place. Late in the month a heliborne raid into the KEN VALLEY was conducted which required the occupation of FSB BULLWHIP and the insertion of two companies from 3rd Battalion, 7th Marines and one company from the 51st ARVN into landing zones in the KEN area. After patrolling the area for four days, these units were then extracted by helicopter. As the operation came to a close units were helilifted from the field to their respective cantonments. FSB's RATTLESNAKE and BUCKSKIN were evacuated and the remaining troops of M/3/7 were brought out of the AO on 29 May.

4. TRAINING. Attendance at various schools during the month was as follows;

Officer Leadership Course	3
SNCO Leadership Course	4
NCO Leadership Course	13
16MM Projectionist Course	2

5. LOGISTICS

a. During the month of May the 7th Marine Regiment was involved in Operation OKLAHOMA HILLS. The Logistical Support Area at Camp MUIR (Hill 55) continued to provide logistical support for all classes of supplies. 1st Shore Party Battalion, Force Logistic Command, 11th Motor Transport, and 1st Motor Transport Battalions continued to provide service units in support of the operation.

UNCLASSIFIED

(b) Headquarters Company and 1st Battalion were inspected this month by the Division Command Material Management Inspection Team. The results for each commodity area inspected are as follows;

<u>COMMODITY AREA</u>	<u>HQCO</u>	<u>1ST BN</u>
Ordnance	Satisfactory	Satisfactory
Food Service	Sat w/dis	Sat w/dis
Motor Transport	Satisfactory	Satisfactory
Supply	Sat w/dis	Satisfactory
Embarkation	Sat w/dis	Sat w/dis
Comm-Elec	Sat w/dis	Sat w/dis
Engineer Equipment	Sat w/dis	Sat w/dis

(c) Supply. The supply situation throughout the Regiment continues to improve. A draw down in certain supplies was expected due to Operation OKLAHOMA HILLS. The shortages caused by operations are presently being rectified. Items which are still considered problem areas are listed below.

- (1) Helmets, complete
- (2) Body armor, upper torso
- (3) Compressor, flame thrower
- (4) Field protective mask
- (5) Rifle, sniper M700
- (6) PU-278 generator
- (7) Grenade launcher M79
- (8) Rocket launcher 3.5 inch
- (9) Pistol, caliber .45 M1911A1
- (10) AN/PPS-6 radar set
- (11) M274A2 repair parts
- (12) Water trailers

(d) Engineer Support. Although valid work requests have been submitted and approved, no actual construction has begun. Division Engineers have assessed the Regimental requirements and have assigned priorities for construction. However, due to the DANANG Integrated Troop Construction List, no dates have been set to begin construction. As of this date the following Engineer Support is required:

- (1) Construction of seven (7) sea huts at Camp MUIR.
- (2) Repair of supply warehouses at Camp MUIR
- (3) Repair of miscellaneous structures destroyed by storm
- (4) Repair on seven (7) sea huts on Hill 37
- (5) Repair of 200 man shower on Hill 37

(e) Miscellaneous. Food services during the month have improved. Atmosphere and food quality has improved in most messhalls in the Regiment. However, messhalls continue to operate 100% to 150% over capacity. Work requests have been submitted to alleviate this problem. Troop billeting continues to be inadequate. Work requests have been submitted to upgrade cantonment living areas (see paragraph d above).

6. CIVIL ACTION

a. During the month of May the 7th Marine Regiment continued to maintain an active civil affairs program with 31 projects underway or recently completed and several planned projects scattered throughout the TAOR. The projects are under the supervision of the battalions with assistance from the 3rd Platoon, 29th Civil Affairs Company. The projects consist of agricultural developments, educational development, social welfare, refugee assistance, and community aid.

b. A total of 1,705 Vietnamese Civilians were treated by the 7th Marines medical civic action program (MEDCAP). The Dental Civic Action Program (DENTCAP) treated 37 Vietnamese.

c. During the month of May a total of 112 airdrops were requested and 108 leaflets drops were made. The main themes employed were Chieu Hoi, Pro GVN, Rewards, and Allied Fire Power.

d. There were 41 air tapes requested, and 40 were flown. The themes were the same as the leaflets drops.

e. The HB teams broadcast a total of 23½ hours. The majority of this time was spent broadcasting Chieu Hoi appeals while on Operation OKLAHOMA HILLS. The team also worked in response to enemy activity around Camp MUIR, broadcasting rewards, and warning the people not to support the NVA/VC.

7. COMMUNICATIONS

a. Operations. The communication platoon continued to furnish communications for Operation OKLAHOMA HILLS by maintaining the radio retransmission site at R.C. BA NA, and they established a new site on 21 May at FSB BULLWHIP. This double retransmission provided reliable communications with the 7th Marines at Camp MUIR over 25 miles away in KEN VALLEY and separated by two mountain ranges. The FSB BULLWHIP and R.C. BA NA sites were evacuated on 25 and 29 May respectively.

b. Communication Inspections. The division inspection on 26 May resulted in a noteworthy for the switchboard installation and main frame. It was suggested that an MOS training program be initiated and work in this area was begun by outlining the training requirements for communication personnel in a combat environment.

c. Communications Traffic. Overall communications traffic decreased by approximately 25% from the April totals due to fewer units being involved in Operation OKLAHOMA HILLS. Teletype traffic decreased from 3,903 messages to 3,052, and tactical radio traffic decreased from 2,462 to 1987.

8. MEDICAL

a. A total of 197 military patients; 192 Marines, 1 Navy, and 4 PW's were treated at the RAS during the month of May. During the month there were 10 cases of F.U.O., 5 cases gonorrhea, 2 cases of gastroenteritis, and 1 case each of urithrites and upper respiratory infection. The total number

UNCLASSIFIED

SECRET

of Vietnamese Civilians seen at the front gate MEDCAP totaled 163, a decrease of 179 from the month of April.

b. Medical supply problems were all minor during the month of May. Total inventory cost for all medical supplies issued by the RAS during Operation OKLAHOMA HILLS for the month of April and May totaled approximately \$8600.

c. A total of 413 injections were given during the month of May. The Division Quarterly Inspection considered the immunization program noteworthy.

d. As of this month each battalion aid station of the 7th Marines is tasked with the responsibility of conducting weekly random urinary chloroquine tests on representative personnel. Future command chronologies will contain these results. Weekly training aid lectures have been scheduled for the month of June now that Operation OKLAHOMA HILLS has terminated. In view of the high incidence of post-operational malaria cases increased, emphasis will be given malaria discipline lectures.

e. The Preventative Medicine Section inspected Hill 55 on 26 May and noted that additional emphasis should be placed on police of head facilities. Since then, with the aid of Vietnamese Civilians, there has been considerable improvement in policing heads. In general the health of the command is good.
