g. S-4: During the month of July the S-4 section processed for turn in of all M54's (gas models) for replacement by M54A2C's. Most discrepancies noted in the last FMFPac inspection have been corrected. The S-4 section continues to monitor all work orders for 3rd echelon work. Embarkation preparedness has been increased and all company embarkation personnel have been instructed in the MEDS system. With the receipt of our last set of punch-cards, the MEDS system will have been completely implemented.

h. Supply: During the period 1-31 July 1968, 60 new M54A2C 5 Ton Cargo Trucks were received in this Battalion. All of the M54's were turned in. In addition, nine (9) M54A2C's were received under the R&E program. Due to the receipt of the new vehicles, there exists an excess of repair parts peculiar to the M54. These parts are being turned in to the proper supply activity. Monsoon requirements which are not being force-fed have been placed on requisition. Several monsoon items have already been received. The supply warehouse has been rearranged to comply with field warehousing procedures.
