NAHBATIVE SIMMARY

On 1 June at 1145, 1/9 Compand Group with Company 4 departed Ne Ha at YD 270706 for Camp Pig John at TD 279566 in which they spent the remainder of 1 June.

On 2 June, the Command Group and Company A were heldlifted from Camp Big John to Quang Tri at YD 470%

On 3 June, at 1150, Company C and Command Group A were helolifted from Quang Tri to Thom Son Lam. The hift was completed at 1715. At 1300, from there, Company C was moved by convey to positions along Poute #9. The Command Group was lifted to Camp Carroll at which they remained.

On 4 June, at 1140, Companies A and P were helolifted to Thon Son Lam, at which they set up positions and assumed responsibility for that area from elements of 1/4. At 1300, Company D moved by helocopter from Camp Big John to Camp Carroll. At 1530, Company D was assigned responsibility for the defense of Camp Carroll.

There were no significant activities or incidents on 5 June.

on 6 June, at 1030, Members of Company P, observed 2 indigenous personnel at grid YD 033554. Company R deployed 2 souads with 2 tanks to intercept the 2 Vietnamese. The 2 squads apprehended the 2 personnel, who were both dressed in utilities. They were not bearing arms but did have in their possesion 2 metal spoons and Cartion cigarettes. The 2 personnel were detained, given to 3d Mar Div G-2, and later released as innocent civilians. At 1200, 1/9 was released from the operational control of the 4th Marines and assumed by the 9th arines. At 2055, a trip Mare went off in the perimeter defensive wire, at which time, personnel manning the lines from artillery unit 1/12, observed 1 person immediatly forward of their position, at grid YD 058548. I round of artillery illumination was called for and fired, but no further movement could be observed. At 2000, Observation Post North, at grid YD 059555, received 2 rounds of enemy sniper ation Post North, at grid YD 059555, received 2 rounds of enemy sniper fire from the suspected enemy position at grid YD 054556. The incident was reported and the area was kept under observation.

There were no significant occurances on 6 June.

On 8 June, at 1745, personnel of the 2nd platoon of Company C, located at grid YD 037566, began receiving small arms fire passing overhead. The forward observer with the platoon, called in an artillery mission on grid YD 034573. The first round was fired and hit 800 meters off target. At this time, the 2nd platoon commander and the company commander arrived at the 2nd platoon position. They determined that the source of the small arms fire was from a nearby sea Ree unit, test firing their weapons, and arms fire was from a nearby sea Ree unit, test firing their weapons, and immediatly called for a check fire, ending the mission which had thus far fired only 2 rounds. No casualties were incurred by any friendly unit as a result of the incident.

On 9 June, at 0935, members of Company D's road socirity on route to Camp Carroll from Dong Ha, via convoy, received 3 rounds of sniper fire at grid YD 223601 from an unknown enemy position. The friendly units sustained no c asualties and the convoy proceeded on to Camp Carroll. The incident was reported. Personnel on observation post NAN, located at grid YD 982558; sighted 2 personnel, well camouflaged, near the road at grid YD 937573.

enciosire (1) DEGLASSIFIED

An 81mm mortar fire mission was initiated, expending 10 high explosive rounds on the enemy position. I souad from Company " was dispached to search the area. N_0 signs of the 2 men were found. f 1 Sea Fee gravel f truckheading east on Route #9, struck a med wine at grid YD 058657, at 1110. The vehicle was disabled but there were no casualties. Afterximatly 20 minutes later, a second Sea Ree truck, also heading east, attempted to pass the first truck and it also struck a mineat the same position. With trucks burned as a result of the second mine. No castalties were sustained. At 1200, a bulldozer was dispatched to grid Y D 058567, and removed the remains of the 2 vehicles from the road. No 1220, an engineer sweep team with I secure. ity squad from Company D, moved to grid ND 053567, and effected a sweep resulting in the detection of a 3d mine which was identified as a Russian made, anti-tank, pressure deconsted, metal mine; approximatly 1 foot in diameter and burded under 3 inches of dirt in the moad. The mine was blown in place. Prior to the arrivel of the sweep team, members of the 11th engineers observed and purshed 3 indiginens personnel in the area. The 3 people diaappeared and were last seem at grid YD 065575. Due to the mine incident, a convoy at 1400, was held up on the mad at grid XD 073572. This convoy came under an 82mm morear attack of approximatly 30 munds. Owing to facts that at 1405 the road was reopened and the convoy had been widly dispersed. There were no friendly casualties as a result of the mortar fire. Friendly units at that time, called in fire mission on 3 enemy active mortar sites at YD 075587, 073577, and 075570 expending 56 rounds of 81mm mortar fire and 24 rounds of 105mm artillery fire, all giving good coverage of their respective target areas. An AO controlled by 1/9 at 1500 observed the enemy area. Later, I flight of fixed wing dropped 4000 pounds of ordinance on the

by air, enemy dead, I fighting hole destroyed and I shouldary fire.

On 10 June, at 0800, the 2nd plateon of Company C received 2 rounds of 81mm mortar fire from the direction of Camp Carroll. However, a check of all friendly units in the camp showed no friendly flum mortar fire at that time. No friendly casualties were sustained as a result of the 2 rounds. At 1010, Company D, at Camp Carroll, received 2 rounds of enemy 75mm pack howitzer artillery fire from an unknown enemy position. There were no friendly casualties as a result of the incomorg. At 2005, mem ers of the 2d plateon of Company D, at Camp Carroll, observed a group of lights at grid yD 073518, moving east to west. 22 rounds of 61mm mortar fire were fired at the position of the lights, afterwhich the lights could no longer be seen.

enemy targets. The AC's Bomb Damage Assesment was 100% confirming 2 billied

On 11 June, Company D's road sweep and security team for Route #9, at grid YD 041566, received 15 rounds of enemy 50mm mortar fire from an enemy position at grid YD 055586. 2 twin 40mm A/A vehicles berediatly inithated fire on the enemy position. 105mm artillery that formed a mission on the enemy, providing excellent coverage of the target. The results were unknown. Company D sustained 4 wounded as a result of the enemy fire, '2 of which were medevaced. At 0945, an OP from Company D at grid YD 064570, observed 15 NVA troops at grid TD 064570. A 105mm articlery mission was called for and adjusted on the enemy position by the OP. The target coverage was good and the results were unobserved. The 2d plateer mesition of Company C, at grid YD 67457h, at 1020, received 2 rounds of enemy 60mm rorter fire from grid YD 0658. A 105mm artillery mission was fired in the general direction of the enemy meiting with uninnum results. At 1045, the 3d platoon position of Company C, at YD 089578, observed 2 indigenous personnel mowing in a restricted area. DECLASSIFIED

enciosire (1)

8 warning shots were fired over the heads of the 2 persons, but they continued on. The 2 were then taken under small arms fire, resulting in the death of one, and the wounding of the second. The dead man was turned over to local civilians for burial, and the wounded one was taken to Cam To District Headquarters. For treatment. It 1230, a vehicle from Company C, was traveling east along Boate #9. While passing a convoy traveling in the opposite direction at YD 102576, the vehicle struck a Victor/mess girl who ran on to the road to pick up sate food thrown from a truck. The girl sustained lacerations of the leg and was taken to Cam Lo District Peadcacrters for treatment. At 1930, Companyo, while making fields of fire and clearing a landing zone just outside its position at YD 028769, discovered I wrecked aerial observation plane under thick follage and undergrowth. The plane appeared to have been there 3 to 4 months. There were no signs of bodies. A discription of the craft, its location, and its script rumber was given to the 9th Parines.

On 12 June, at 0750, Company 3, at Jamo Carroll, received 9 rounds of enemy 82mm mortar fire from an unknown position. There were no casualties. At 0810, a squad patrolling from Company D, at grid YD 054562, received 4 rounds of enemy 82mm mortar fire from an onemy position at grid YD 055575. A 105mm artillery mission of 14 FE rounds was fired on the enemy position with excellent coverage of the target. At 0820, a command deternated explosive devise was blown in a sulvert as the road sweep team bassed over it, resulting in 1 serious MIA and the destruction of the culvert. AD rounds of 60mm mortar fire was initiated on the surrounding area: Traffic on Foute #9 was held up pending correction of the culvert. At 1813, the culvert was repaired and the road orened. At 2215, members of Company 3, lst Potalion 44th Artillery, at Camp Carroll, observed movens lights at arid YD 033543. 9 mounds of 81mm mortar fire was fired on the area of the sighting, providing good coverage of the target with unknown results. In further sightings were made.

On 13 June, at 0800, a 105mm artillery mission, from D battery2/12, on grid YD C74574, the 2nd plateen position of Company C, was erroneously cleared by 1/9 FSCO. After 1 round landed in the Company C's position, a check fire and end of the mission was given. The 1 round resulted in 2 non-serious concussion NBC's. At 2010, members of the last plateen of Company 4 at Camp Carroll, observed moving lights at grid YD 065592. An 81 mm mortar mission of 3 rounds of WP and 10 rounds HE were fixed ker an end of mission was given due to the insbility of adjusting the rounds on target.

On 14 June, at 1800, a squad sized patrol from Company C found 1 mine while searching a Vietnemese but occupied by 1 elderly women of YD 096594. The mine was black with yellow markings and found hidden behind a bed. The women claimed she found the mide licing in the area. The mine was taken outside and blown, in the process, 1 Marine was wounded by a fragment from the mine. No further action on the incident was taken.

There were no significant incidents on 15 June.

On 16 June, at 2105, members of 1/9 observed an active enemy 37mm anti-eircraft weapon firing from 3850 mile, unknown distance. This information was reported to the 3th Marines.

At 1630 on 17 June, 175 released responsibility for Tron Son Lam, Route #9, and Camp Carroll to 1/3. The remainder of 17 une was spent on consolidation and preparation by 1/9 for oppositions to begin on 18 June.

On 18 June at 0600, 1/9 was staged at Camp Carroll in heloteams in preparation for the battalion lift to operations in the Than Kim Dan Finh and Van Ba Thung Village areas in the grid squares TD oC60 and YD 1060 and their surrounding areas. The helolift bogan at 0730, 3 landing zones were established. The areas were prep fired with artillery and screened by stoke from eircraft just prior to the battalions entering the area. Company 4 and CompanyD were lifted to the landing some "WREN" at grid ND 077638, Company 0 and the command group with units of H&S, to LZ "GULL" at YD 085645 and Company and CO and Company B to LZ "OWL" at TD 001636. Prior to the completion of the lift, the battalion began receiving enemy 82mm mortar fire from as many as 3 enemy positions which were unknown; which did inflice friendly casualties. The lift was completed at approx. 0820. Enemy mortar fire contimued. 1/9's units were unable to move from the areas pending the arrival MJA were sustained as a of medevac helocopters. A total of KIA and result of the enemy fire, the last casualty being evacuated at 1315. Puring the evacuation of casualties, Companies A and D had moved to resitions at grid YD O&\$_"#. At 1150, the 2 Companies began receiving sporadic enemy sniper fire. Return fire was initiated and the exchange of small arms fire continued for approx. 50 minutes. Monther Company sustained casualties nor were there any enemy casualties confirmed.

From 1250 to 1310, 1/9 controlled fixed wing aircraft in strikes against enemy morator positions resulting in the confirmed destruction of

6 enemy bunkers.

By 1545, Co. B moved to and secured objective "E", hill 124 at grid YD 076623. Co C moved to and secured objective "M", at grid YD 071621 at 1745 and set up defensive night time positions.

At 1815 Co. "D" and the CP received a resupply of water and 81mm martab ammunition by 2 CH 46 helocopters. At the same time Co "D" on hill 124

received their resupply.

At 2322, Co "D" and the CP began receiving enemy 60mm nortar fire from 2 unknoen enemy positions. 81mm mortars returned fire as artillery defensive fires were called in. "SpooKy" flare ship was requested and arrived at 2330. Medevac helocopters were requested and arrived at approx. 2400.

All of the 2 K.I.A. and 19 W.I.A. sustained from the enemy mortar fire were

evacuated at that time.

At 0930, 1/9 departed its respective positions in route toward objective

"F", Hill 52 at YD 092599.

During the movement, 1/9 was required to medevac a total of heat casualties, Company C reached objective "F" at approximatly 1600. Company C moved to and past hill #52. Companies C and D and the corrand group, crossed the Cam Lo River and set in night time resitions at grid VD 001505.

Companies A and B set up positions at grid YD 094598.

On 20 June, at 0730, the command group and Company D departed it's positions of the previous night and moved to a point on Route #9, at grid YD 093576, at which they mounted vehicles for convoy to Camp Carroll. Compies C,B, and A then followed in succession. All units of 1/9 were consolidated in Camp Carroll by 1300. At 2330, Company B diparted Camp Carroll and moved down to secure the landing zone areas in the Cam Lo Prunng Village area. For security for the helolift of the remainder of 1/9 into the Qua Valley for operations to begin on 21 June.

DECLASSIFIED

On 21 June at 0530, Companies A, C, D and the CP moved to Camp Carroll landing zone to be lifted into the Gua Walley for operations there. At 0605. Company B spotted L VC whomthey trok under small arms fire, resulting in 2 VC KIA confirmed. The helelist was completed at 0645. The companies and the CP were situated in positions around the Cam Lo Phuons village to effect a cordon around it. An AWN unit operating in conjunction with 1/9, was the sweeping, searching, and securing element in the ville area itself. At 1100, Company C found 1 boobytrap at grid MD 107524, consisting of an M-25 areaade with a trip wire across the trail. The trap was bloom in place. By Mills, the ARVN unit had swept through the village, taking 17 detainees, 20 of which were on the Flack List, and found anti-U.S. propaganda and documents indicating that local VC use the village are mightly At 1945, a percentogical operation broadcast was made to the residents of the village, sheting that the battalion was not there to barm any immicent civilians, and that rewards would be offered to anyone turning in VC weapons or equipment. At 2000, a Marine from Company A tripped a boobytraped M-26 hand gronade from which he sustained non-serious wounds. At 2208, an LP from Company D heard an estimated 10 people moving 25 to 30 meters to their front. The LP then received 1 grenade and 1 round of small arms fire, and returned fire with 4 M-26 grenades and M-79 fire When the LP returned, an Simm mortar mission was fired on the enemy position, grid 100516, with unobserved results.

On 22 June, at 0220, the ist Fit. of Ob. "A" observed 6 V.C. moving from the ville down the road. The Plt initiated shall arms fire on theeheny The later search of the area revealed 1 V.C.K.I.A., and 1'V.C.WIA F.C.W., a woman N.V.A. mirse with a U.S. medical bag and supplies, i or L7 and 1 M-16.

At 0245, an ambush from the 1st Fit. of (b. "C" began recaliving grenade and small arms fire. They returned to the perimeter and there was no return fire on the enemy.

At 0630, numbers of Co. "C" heard movement 10 meters forward of the lines and threw 1 M-26 in the direction of the movement. A later check of the area revealed 1 Y.C.K.I.A. confirmed.

From 1130 to 1630, the battalion conducted MEDCAP activites in the

village.

During the morning of 23 June, the search of Cam Lo Phuong and Tang Son villages continued. Resulting in the discovery of tunnels, rice and food cashes, and the capture of 1 confirmed V.C. and detention of 9 V.C. suspects.

From the hours of 1100 to 1430, more MTDCAPS activities were conducted.

in the Rong Son Viiiage.

In and around the area of grid YD 092542, Co upu located various V.C. caches, totaling 1700 lbs, of rice, 20 sets of civilian clothing and 4 P.F. uniforms. All of the findings were turned over to the 4,R,V.N. force.

At 2000, an L.P. from Co. "A" moving into it's night time position, tripped a boobytrap, suspected to be an M-26 or Coi-Comm. grenade. The trap resulted in 1 USAC W.I.A. who was medevaced.

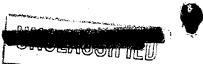

On 24 June, Co "A" and "D" moved to effect a blocking force around Mai Loc village at YD 110514 and the Mai Dam village at YD 102515, while A.R.V.N. units swept thre them. There were me significant incidents from

At 1052, a Marine from Co. "A" was esecking a ravine in front of his this activity. lines at grid YD 099511, and detonated a boobytrapped 60mm mortar. The marine sustained wounds from the trap and was medevaced.

P'CLOSI PEGLASSIFIED

At 1200, to "C" dispatched a recovery team by helocopter, to recover the baby of one Co. "C" personnel missing in action on 18 June. The body was located on 17 June by our TACP, using a helocopter tomake a visual reconnaisance. At 1630, the 1st pit of to "C" at grid YD 060569 received 3 rounds of enemy 82mm mortar fire at grid YD 055585. 36 rounds of 105mm artillery were brought to bare on the enemy position providing excellent coverage of target.

On 30 June at 0010, the 3d pit of Co. "D", at YD 027571, received 5 rounds of suspected 122m rocket fire from an enemy position on as assimuth of 6100mils at an unknown distance. No friendly casualities were sustained as a result of the rockets,

A squad sixed paired from Co. Was at C745, was taken under automatic weapons by approx 6 enemy troops at grid YD 125534. The squad returned fire and called in 81mm at tab fire on the enemy position. After the mission, the squad swapt through the area and found 4 fighting holes, but no other signs of enemy activity, laber, at O840, a member of the same patrol determated a boobytrap which was suspedted to be a 60mm mortar, at frid YD 111522, no casualities were sustained as a result of the tran.

At 0930, elements of 1/9 at Comp Carroll recerived 4 munds of 75mm pack bowetizer fire from 5800 miles at an unknown distance. Counter battery fire was initiated in the general area of the enemy position. There were no casualties resulting from the incomming:

At 1715, the daily convoy on route #9, at grid VO 0556, alongthe highway in that area, received small arms fire from both sides of the road, but sastained no casualities. Personnel on the convoy returned fire and an 81mm mortar mission from Gamp Carroll was fired on the energy resitions.

The convoy proceeded on.

Also at 1715, a patrol from Co. "", at grid VD 102523, found enemy documents, letters and medical items hidden in a tree. The material was returned with the patrol and turned into S-2.

I. INTHILITENCE, During the menth of June, the encay units operating in the Establich's Operating Area, consisted of the 1st Company of the 2"th Independent Establish, located in the vicinity of Can Pune, and an unidentified infantry regiment, believed to be the 271st Regiment, located in the vicinity of MD 05(3. These unfantry units were supported by the 55th Attillery Regiment, Received at MD 0566, and the 164th Attillary Regiment, which was generally supported along the IMM.

The enemy's made effort during the first part of June were continued attemped to inversity travel along Roube #9 by the use of matter fire and mining incidents. On the 9th of June, a gravel track struck a mine at MD 058507. A green term sent to the scene discovered i unexploded Possian anti-task mine, which had been wrapped in a possible, to make detection difficult. Has to the mining incident, a convey became stalled and received 90 murds of incoming action fire from MD 070577. Pixed wing was called on evaluating receiving in 2 to 30 Another mining incident occuration the 12th of June, when a command decorated charge was blown at ND 066570, destroying a culvert.

On the 14th of June, a Patrol from MUM Co. discovered a mine in the house of a Vietnamase Mathonal, in the village of Ouet 74. There were several suspects in the area, but they managed to clude runship.

On the 18th of Jame, the Fattellian moved to the morthwest of the Three Sisters area to conduct a except and disert mission in the stee morth of Con Io. As the Partiation was lifted into the Landing wors, they began reciving mother five from 350 deg. A and I Companies been moving to their objective area at VD CYCGG, and they both pecome encused by automatic weatons and eniper fire from a tunker complex at VD 06363. In the ensuring action, B to had V NVA TIA (Conf.) and captured 3 individual reamns, 2 once assived weapons, assorted documents and miscallaneous gear.

on the evening of 18 kms, the Pattalion discovered a bunker conflex of MP COTOCO. Upon occupying the exes of the bunker complex at 21300, the Pattalion came under mortar attack. At this time, at MP C70643 1 Co. received a ground probe. After the action, A R. recovered 3 individual wearons, 1 crew served (S2mm Mortar) weapon, miscellanous goar and 1 WARTA (Conf).

On the night of 20 June, the Pattalion began an operation to clear the Cha Valley. The entry was made awars of the planned operation prior to its commencement, and the bulk of the population disappeared from the immediate village complexes. I do., on the night of 22 June, made contact with a squad sized unit trying to reenter the village of action, resulting in 1 VI/NVAKIA (Conf) and the capture of 1 TOW (avc/MV) female musse), 1 AV-47 1 Mark, medical supplies and documents. Also, as a result of A Company's contact, the of the enemy trying to escape from A Company, ran into C Co. lines and was killed.

DECLASSIFIED

SELECTED S

complex was conducted. The search yielded 1 confirmed V and the detention of 9 suspects. C Company a YD 092542 discovered a supply cache containing 1700 pounds of rice, 20 sets of Vietnamese Clothing, 4 sets of Touclar forces utilities and some documents. On the 24th of June, A Company, exacting the village of Mai Dam at TD 099512, discovered 2 bunker completes which had recently been used by the enemy. On 26 June the Pattalian returned again to Camp Carroll.

At the end of the month, the enmy continued to harass Route #9 with mortar fire from the vicinity of Dong Kio and to fire occasional 75mm pack howitzer rounds from the vicinity of XD 3961 into the Camp Carroll complex.

M. WEATHER. During the month of June the temperatures ranged from the high 90's during the day to the low 80's at night. Skies were generally clear with grattered cloud cover and visibility of approx. 15 miles. Funidity was high and occasionally there were late aftermong howers.

N. <u>COMMUNICATIONS</u>. Radio was the primary means of communication during the month of June, due to the deployment of the Pattalion. Few problems were encountered, except for the occasional overlapping of frequences due to adjacent units. It was necessary at times to establish a relay station for optimum communications. Carrying a RC 292 proved invaluable in the field, and should be recommended for all units operating in this area.

O. ARTHLERY. During the routh of June, artillery of the 2d Tattalion,

12 Marines supported the Pattalion in two operations:

Clary with so bierer pland moon of the

In the Cam Hung - Three Sisters Area Operation, artillery laid heavy prep fires on landing zones and preliminary objectives before the assault landing. During the operation, heavy prep fires were put on the objectives as the battalion advanced. Enemy troops and mortars contacted, were fired upon, and heavy HCI plans and NDF's were employed at night while in restriction.

The entire month of June artillery fired large HCL and ToT regress.

The entire month of June artillery fired large Hall and To roctrass, covering the entire 10. Heavy supression fires were used to cover the rouse were used to cover the rouse supression fires were used to cover the rouse were used to be roused to be rouse were used to be roused to be reasonable to the rouse were used to be roused to be rouse were used to be roused to be rouse

Vit ATR. During June the partalish made exchasive use of belighter single for flexibility of movement. Several three fills amplies were in find in support of other units. A bettalion life second landing gunships was executed 18 June. Prior to insertice, the landing loss were extensively preped with High Bras Papalm on I regulatation homes are sacke screens layed curing insertion. In all 34 flights of fixed wing are craft were used for close and direct air support during the three day operation.

penth June, the terminant in the personal court of income on the secundary of the secundary

on the said of military throughten

O. MILLER. During the onth of danc, estill may of the 2s Tettelion,

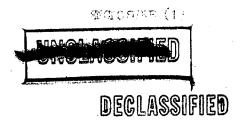

C-47 and 67-13C almost were employed as gun and Mare shins with neight constant acricl observation provided by Marine). The almost the fill recently was heldfifted to the Valley with a night rifle company servated. Canding zones were secured without prop and suppression fires. CM-46, M-14 punching and)-10 airial observers were again utilized with the addition of Appy (-2 "PSK-F" aircraft. During both battalion lifts the battalion commander was provided aerial observation of the Airlift and initial ground movements from a HU-1E (MAICK) correct with the radio capability to interdict.

Victal reconstituence prior to movements was utilized to a greater extent in June than provides months. Availability of aircraft remains a problem. Resupply and passenger traffic having been delayed several times in June. Supply of aerial observers did not meet demand during June with unit commanders becoming more aware of the 40's smotting ability and inherent advantage of detering enemy action.

Helecopter medevacs of Marine and NAVAC casulties during June were 15 KIA, 95 WIA and 78 NPC.
