NARRATIVE SUMMARY

1. General Overview of all Activities.

From 1 July to 8 July, the 3rd Battalion, 9th Marines was engaged in the last stage of Operation Utah Mesa.

Significant events of this Operation were the many probes and night attacks by the N.V.A. and the numerous amount of weapons and equipment that were captured. Of significant importance was the capture of two M-50 flame throwers. During this Operation there was approximately 3,000 enemy bunkers found. It was believed that the N.V.A. used those bunkers for staging areas for their movement into Ba. Long and the DA KRONG RIVER valleys.

On the 7th of July the command group, Companies K, L, and M were heli-lifted back to V.C.B. Company I, was helilifted back to V.C.B. on the 8th of July 1969. At this time Operation UTAH MESA was terminated for 3rd Battalion 9th Marines. Upon arrival at V.C.B. 3/9 became op-con to the 4th Marine Regiment.

Op-con to 3/9 were Company K, 3/4, Company F, 2/4, Company B, 3rd Tanks and Company G, 3rd Recon.

The 3rd Battalion 9th Marines reinforced were assigned missions to consist of the defence of V.C.B. along with patrolling around the environs of V.C.B., Elliot Combat Base, Fire Support Base Cates, Hill 950 and Signal Hill. Another aspect of the mission were Road Sweeps from V.C.B. to Calu and Cam Lo and sweep operations west of Calu on route 9 commencing at first light.

On 24 July 1969 3/9 was relieved of all tactical commitments except when necessitated by an emergency condition. Work now commenced with full attention to administrative matters and embarkation matters inductive towards the upcoming deployment of RLT.-9.

On the 8th of August 1969 the Commandant of the Marine Corps is scheduled to visit the 3rd Marine Division.

(4) Precipitation on the average of 4 to 6 inches fell during the daylight hours. Light thunder showers accured almost daily in the late afternoons.

(5) Cloud coverage was 3,000 to 5,000 feet 20% of the time 5,000 and above 16% of the time. Closed in by ground fog usually in the early working hours.

(6) Visibility for the month of July was unlimited 80% of the time with fog and haze 20% of the time.

(b) Terrain:

(1) Observation: Observation was excellent while in a fixed position however during patrolling observation was adequate but somewhat limited.

(2) Cover and Concealment: During patrolling cover and concealment were excellent.

(3) Terrain: Terrain was 50% double canopy and 50% 15 foot tall elephant grass.

(c) Enemy:

The period 1-8 July saw the Battalion in contact with various small enemy units fighting a delaying action in the vicinity of the Lang Mole Bunker complex. It is thought that these small units were the rear guard of the 24 B NVA Regiment. Earlier this regiment was referred to as the 57 NVA Regiment.

The Utah Mesa Operation terminated on the 28th of July and the battalion returned to VCB. area until the commencement of Operation Georgia War.

During Operation Georgia Tar companies I, K, and L were op- con to 1/4 to be used primarily for the defence of VCB.

Other than a questionable report by an ARVN soldier who supposedly escaped from the NVA. there were only a few minor incidents. On the 17th of July the ARVN soldier mentioned above stated that approximately 110 NVA were in between VCB. and FSB Henderson. This information given was given a C-3 rating, but there was very little activity to support this information.

On the 16th of July the 3rd plt. of company K, ambushed and killed 2 NVA wearing green utilities and carrying AK-47's in the grid square (XD0743) Two NVA. bodies were found in the same area but were insignificant.

It is evident that the enemy units are inactive and seem not to desire to take the initiative of acting. The bulk of their forces have pulled back into Laos or in country base camps for regrouping after operation Utah Mesa.

(5) OPERATIONS

UTAH MESA 1-8 July 1969

The mission of the 3rd Battalion 9th Marines was to conduct search and destroy Operations in the assign AO and to concentrate search and destroy operations near and around Kuong Hoa (XD-864376) and to sweep south to Lang Khe (XD871308). During the first phase of the operation Utah Mesa large extensive contact was made with the NVA but during the latter stage (1-8 July) the battalion made contact with various small elements.

One of the important factors was the reconnaissance by the NVA and the almost nightly probes of defensive positions. All night attacks began as early as possible after dark. Contact was often broken shortly before daylight. The command group, companies I, K, L, and M were heli-lifted back to VCB. on the 6th of July.

HERKIMER MOUNTAIN 8 July to 16 July 1969

During this time the 3rd Battalion 9th Marines reinforced were op-con to the 4th Marines.

The following units were attached to the battalion: Company K 3A company F 2/9, Company D, 3rd Tank Battalion and Company G 3rd Recon Battalion. The 3rd Battalion 9th Marines (Rein) mission was to defend and patrol around VCB, ECB, FSB Cates, Hill 950 and Signal Hill. Also to conduct road sweeps from VCB. to Calu and Cam Lo. and to conduct operations west of Calu on route 9 commencing at first light.

On the 16th of July 1969 the name of the operation was changed from Herkimer Mountain to Georgia War. All missions and T.A.O.R. remain the same.
