PART II

NARRATIVE SUMMARY

During September 1968, the 11th Marines continued to provide supporting fires for the 1st Marine Division in its defense of the Danang vital area and in operations in Quang Nam and Southern Thua Thien Provinces. In addition, continued support was provided to Division reconnaissance teams, Combined Action Platoons, USA, USN, CIDG, KMC and ARVN forces. Forward observers again accompanied USMC, USA and ARVN convoys traveling as far south as Quang Ngai and north to Hue.

Artillery fires accounted for 455 of the 945 enemy killed within the Division area of operations. Of these, 205 were the result of missions fired for Division reconnaissance teams operating in the 1st Marine Division TAOR.

In the month of September two operations were terminated. Operation SUSSEX BAY, supported by the 2nd Battalion, 11th Marines was terminated on 9 September and Operation HOUSTON, supported by the 1st Battalion, 13th Marines terminated on 12 September. Operation MANELUKE THRUST continued during the month with the 2nd Battalion, 11th Marines in direct support of the 5th Marine Regiment. Operation OWEN MESA was initiated on 26 September with the 1st Battalion, 13th Marines in direct support of the 26th Marines.

Improved conventional munitions (FIRECRACKER) continued to be employed throughout the 1st Marine Division TAOR. The Regiment fired 47 FIRECRACKER missions during the month accounting for 105 VC/NVA KIA. All surveillances represent confirmed KIA's and do not include additional probable KIA. Total FIRECRACKER expenditure for the month was 681 rounds.

ENCLOSURE (1)

On 8 September, Battery K, 4th Battalion, 11th Marines; Provisional 155 Howitzer Battery, 11th Marines; 1st Platoon, 3rd 8" Howitzer Battery and Battery I, 3rd Battalion, 11th Marines fired a FIRECRACKER mission on 140 VC/NVA with mortars, at grids AT 815566, AT 815565 and AT 825574. The mission was observed by Recon Team (ALBROOK) and resulted in 25 KIA and 6 secondary explosions. On 11 September, Batteries D, E, and F, 2nd Battalion, 11th Marines fired a preparation fire on grid AT 858509. The mission was observed by an observer with the 1st Battalion, 5th Marines, resulting in 25 KIA. On 22 September, Batteries A and B, 1st Battalion, 11th Marines fired on a VC company at grid BT 054568. The mission was observed by an observer with the 2nd Battalion, 51st ARVN, resulting in 77 KIA.

During the month, the 11th Marine Regiment expended a total of 149,579 rounds while firing some 28,589 missions. Elements of the Regiment supported Operations HOUSTON, MAMELUKE THRUST, SUSSEX BAY and OWEN MESA.

Counter-rocket drills continued during the month. Chart drills were conducted unannounced each night to exercise the ability of participating FDC's to compute accurate grids of rocket positions. In addition, counter-rocket firing drills were conducted nightly on possible rocket positions.

The enemy initiated seven rocket attacks during the month. The targets included the Danang Air Base, the City of Danang and I Corps Headquarters. The average artillery reaction time for counterfire during these attacks was approximately three minutes. Clearance continues to delay counter-rocket response time in some portions of the Division area.
